Amendment 002 of Request For Standing Offer (RFSO) 21C31-203587/A is raised to respond to questions received and to modify the RFSO as follow:

A. QUESTIONS & ANSWERS

- Q6. The RFSO indicates that the fabric composition must be 93% nomex, 5% kevlar (para-aramid) and 2% anti-stat type. In regards to the meta-aramid material, Nomex being a brand name, do we need to supply a branded product or is it acceptable to supply a non-branded product (substitute product) with the same technical specifications?
- A6. A substitute product would be acceptable if it is deemed to be equivalent and meets all the technical requirements in accordance with the section **4.1.1.2 Equivalent Products**.

B. SOLICITATION MODIFICATION

At paragraph **4.1 Evaluation Procedure** of the RFSO, Insert:

4.1.1.2. Equivalent Products

1. Products that are equivalent in form, fit, function and quality to the item(s) specified in the bid solicitation will be considered where the Bidder:
 - a. designates the brand name, model and/or part number of the substitute product;
 - b. states that the substitute product is fully interchangeable with the item specified;
 - c. provides complete specifications and descriptive literature for each substitute product;
 - d. provides compliance statements that include technical specifics showing the substitute product meets all mandatory performance criteria that are specified in the bid solicitation; and
 - e. clearly identifies those areas in the specifications and descriptive literature that support the substitute product's compliance with any mandatory performance criteria.
2. Products offered as equivalent in form, fit, function and quality will not be considered if:
 - a. the bid fails to provide all the information requested to allow the Contracting Authority to fully evaluate the equivalency of each substitute product; or
 - b. the substitute product fails to meet or exceed the mandatory performance criteria specified in the bid solicitation for that item.
3. In conducting its evaluation of the bids, Canada may, but will have no obligation to, request bidders offering a substitute product to demonstrate, at the sole cost of bidders, that the substitute product is equivalent to the item specified in the bid solicitation.

All other terms and conditions remain the same.
