Amendment 003 is raised to answer questions received from industry as follows:

1. Questions and Answers

Question 11

The material selected is laminated particle board, would you consider a powder coated metal solution that meets all the technical specifications outlined?

Answer 11

No a powder coated metal solution will not be accepted.

Question 12

In regards to the Stage 1 delivery to undetermined storage location: Will location be able to accept a 53' trailers direct to site?

Answer 12

The Storage location is unknown at this time. It is currently in the bid process. We have asked for a direct access to loading dock. We will advise once with the information about the storage area and loading dock capabilities.

Question 13

In regards to the Stage 1 delivery to undetermined storage location: Will Dock have a leveler for easy unloading?

Answer 13

The Storage location is unknown at this time. It is currently in the bid process. We have asked for a direct access to loading dock. We will advise once with the information about the storage area and loading dock capabilities.

Question 14

In regards to the Stage 1 delivery to undetermined storage location: To avoid exorbitant additional shipping charges, we intend to have the product shipped non-skidded on floor to minimize the # of transport loads required. We would send labour to unload and move product onto dock. Is this acceptable?

Answer 14

Yes

Question 15

Will your storage personnel move the product inside the warehouse to its final location and then pull the required product by Phase and have it ready on the dock for pickup once ready for Phase 2 Delivery and installation by Phase?

Answer 15

Yes

***All other terms and conditions remain unchanged.**
