Solicitation amendment #002 is raised to provide the following questions and answers:

Q2: Under Section 1.1: it is stated that "Up to a maximum of two (2) contracts will be awarded for item 1a, 1b and 2b. One contract will be awarded for item 2a.

Does this mean 2 contracts each for items 1a, 1b & 2b OR 2 contracts for all 3 items?

A2: Yes, it means up to 2 contracts each for items 1a, 1b & 2b.

Q3: Under section 1.11(g): it is stated that "To ensure security of supply, Canada, at its sole discretion, reserves the right to limit a Bidder's aggregate AIV contract quantities, including those awarded under this solicitation to 60% of Canada's estimated public market AIV demand.

A3: Canada's estimated public market AIV demand is defined under 1.11 Basis of Selection, sub-section (g), paragraph 2. The 60% limitation does not include specialized influenza vaccines such as live attenuated, cell derived and those specifically targeted for persons aged 65 years and older.

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
