

RFP 01B68-21-0192
Question and Answer Series #2

Question #1

AAFC22-016R-146 hemp

- a) The RFP trial list indicates 3 TRT plots. It is not clear what the difference between these are.
- b) I expect that there will be 5 decline sampling events. Is this correct?

Answer #1

- a) There is one UTC plot and two TRT plots (one at a 1X rate and one at a 5X rate)
- b) No, The plan is to have 4 decline sampling timeframes
