### **Description of the Requirement:**

The primary objective of the project is to design and conduct empirical research to examine the effectiveness of Workplace Health and Safety Committees (WHSCs) within small and medium-sized employers in both unionized and non-unionized settings in the federally regulated private sector (FRPS) and federal crown corporations. This research will:

1. examine and compare the process and outcome effectiveness of WHSCs between unionized and non-unionized settings;
2. identify and compare factors influencing the process and outcome effectiveness of WHSCs between unionized and non-unionized settings;
3. identify promising practices for WHSCs to improve their members' occupational health and safety outcomes; and
4. provide policy and/or regulatory recommendations for the Labour Program to promote occupational health and safety outcomes.

**Level of Security Requirement:**

**Security requirement for Canadian supplier: Public Works and Government Services Canada (PWGSC) file # Common professional services security requirement check list #9**

1. The contractor/offeror must, at all times during the performance of the contract/standing offer, hold a valid designated organization screening (DOS) with approved document safeguarding at the level of protected B, issued by the Contract Security Program (CSP), Public Works and Government Services Canada (PWGSC)
2. The contractor/offeror personnel requiring access to protected information, assets or work site(s) must each hold a valid reliability status, granted or approved by the CSP, PWGSC
3. The contractor must not utilize its Information Technology systems to electronically process, produce or store protected information until the CSP, PWGSC has issued written approval. After approval has been granted or approved, these tasks may be performed up to the level of protected B
4. Subcontracts which contain security requirements are not to be awarded without the prior written permission of the CSP, PWGSC
5. The contractor/offeror must comply with the provisions of the:
  - 1) Security Requirements Check List and security guide (if applicable), attached at Annex D
  - 2) Contract Security Manual (latest edition)
