QUESTION/ANSWER

- Q1. In Annex C – Basis of Payment does 1. a) (remuneration per runway end/flap setting) exclude work done updating preexisting runway end/flap settings already in the database.

A.1 No, Basis of Payment should include/be the same as cost for updating runways already in database.

- Q2. In Annex C – Basis of Payment 1. c) refers to maintenance of critical airports. Is this a defined list of airports? Is there a number of runway ends/flap settings associated with that critical list? Would the number on the list increase/decrease after being initially defined during the term of the contract?

A.2 Yes, every year there would be a list of defined/or number of airports.
Yes, there is a short list of regularly scheduled airports (approx. 75 airports usually 1-2 runways per airport).
Yes, the list is reviewed on an as required/annual basis.
