This solicitation amendment 004 is issued to answer questions from bidders and to make the changes to the Invitation to Tender – Revision 3 Published on January 19, 2022.

1. At SI-06 Submission of Bid

DELETE: The contents of Item b. in its entirety.

INSERT:

The only acceptable email address to use with epost Connect for responses to bid solicitations issued by PWGSC is:

NCR tpsgc.dgareceptiondessoumissions-abbidReceiving.pwgsc@tpsgc-pwgsc.gc.ca

Note: Bids emailed directly to this email address will be rejected and deemed non-compliant. This email address is to be used to open an epost Connect conversation, as detailed in c., or to send proposals through an epost Connect message if the Bidder is using its own licensing agreement for epost Connect.

Questions:

1. **Q:** Per the spec in the light schedule “NEW RECESSED HORIZONTALLY MOUNTED LED FIXTURES FOR LEVELS 2-12 LOBBY, VESTIBULES, CORRIDORS, WASHROOMS BOOTHS, CAFETERIA, KITCHENETTE AND STAIRCASE LIGHTING. RE-USE EXISTING LIGHTING CIRCUIT AND LOCAL ROOM CONTROLS FOR THE COLOUR TEMPERATURE AND LUMEN OUTPUT. WITH A CLEAR SPECULAR REFLECTOR AND A WHITE PLASTER RING. DRIVER SHALL BE COMPATIBLE WITH DALI.”

They ask for these downlights to be lumen and colour temperature selectable. But in the written part above, they ask to be compatible with DALI, I do not think you can have these kind of fixtures run off DALI.

Could you pass this along, and see if they can narrow down exactly how many lumens per fixture and colour temperature?

A: Please Refer to ITT Attachments: Specification Annex A – Lighting Schedule and Drawings Page 1 – Lighting Schedule. Replacement lighting is confirmed to exist after previous pilot projects.

2. **Q:** Could you please help take some photos about the existing fixtures and advise the ceiling height?

A: See photos in Attachment 1 at the end of this document. Ceiling heights range from 8ft – 10ft, with the stairwell area between 2nd and 3rd floors being approximately 20ft and requiring scaffolding.

3. **Q:** As for delivery of tender, article SI06 says bids may be submitted using Epost connect service. Is this the only acceptable delivery method or can hard copy bids be submitted at the Bid receiving unit on Laurier st?

A: As mentioned in the Tender Notice Description:

Sealed bids will be received at: Public Works and Government Services Canada, Bid Receiving Unit, Place du Portage, Phase III, Main Lobby Core 0B2, 11 Laurier Street, Gatineau, Quebec, K1A 1C9.

4. **Q:** If certain bidders are not capable of visiting the sites because of a last minute change, isn't that UNFAIR or discrimination?

A: As the site visit has been changed to optional, any interested company can submit a bid on this open tender.

5. **Q:** Is our competitor holding a "Secret" clearance and that is the government's way to limit the number of bidders?

A: Any interested company can submit a bid on this open tender.

6. **Q:** The bid changed, used to be Mandatory and now it's optional? What's changed? Has the project changed?

A: With the change in security requirement, the site visit was changed to optional to allow any interested bidder to submit a bid. The project parameters have not changed. Any changes will be noted and shared publicly on procurement platforms.
