Request for Proposal – Amendment # 1

Reason for Amendment:

1. Respond to Bidder Questions

Question # 1:

With respect to the mandatory on-site meeting, is the only requirement for the person attending is to be fully vaccinated against Covid-19?

Answer # 1:

This site visit is subject to the COVID-19 Vaccination Policy for Supplier Personnel. Failure to complete and provide the COVID-19 Vaccination Requirement Certification will result in the representative(s) being denied access to site. Consult Part 2 - Bidder Instructions - Section 2.7 – Mandatory Site Visit.

Question # 2:

Are there any other security clearances required for this on-site meeting?

Answer # 2:

Personnel security screening is required prior to gaining authorized access to PROTECTED information, assets, or sites. Consult Part 2 - Bidder Instructions - Section 2.7 – Mandatory Site Visit.

The Bidder's Company Security Officer (CSO) must ensure that their representative(s) hold a valid security clearance at the required level for the site visit. Failure to comply with the security requirements will result in the representative(s) being denied access to the site.

Due to the nature of this requirement and in order to gain access to the site, it is MANDATORY that all interested bidders submit the Names (legal name) and birth dates of their representatives that will be attending the Mandatory Site Visit to the Contracting Authority e-mail at carol.trottier@inspection.gc.ca no later than February 2, 2022 at 12:00 p.m. (EST). It is recommended that two names for each attending contractor be submitted as substitutes will not be accepted.

For additional information, consult Part 6 - Security, Financial and Other Requirements, and Part 7 - Resulting Contract Clauses. For more information on personnel and organization security screening or security clauses, Bidders should refer to the Contract Security Program of Public Works and Government Services Canada (<http://www.tpsgc-pwgsc.gc.ca/esc-src/introduction-eng.html>) website.
