This solicitation amendment 005 is issued to answer questions from bidders.

Questions:

1. **Q:** Our distributors have informed us that they need more time to submit a competitive price for the Downtown Ottawa Building LED upgrade project.
In doing so, we are requesting a 1 week closing date extension to February 11 in order to provide you with a competitive price.

A: PSPC will not issue an extension at this time.

2. **Q:** Due to the on-going protest on parliament hill, this is causing major delays on the Ottawa/Gatineau roadways and could result in late delivery of the tenders. Do you foresee any extension to this tender?

A: PSPC will not issue an extension at this time. PSPC encourages the use of E-Post Connect as outlined in SI-06 of the Invitation to Tender and amended in Amendment 4.

If you choose to submit in person, the receiving unit remains open. Access the building at **Gate 5** on Rue Courcellette and ring the doorbell for access. If you have trouble accessing the building, contact the Bid Receiving Unit at 819-420-7100.

3. **Q:** Could you please advise what is the existing control system manufacturer?

A: Tridonic is the existing control system manufacturer.

End of Amendment 5.
