

MANDATORY EVALUATION CRITERIA

MANDATORY REQUIREMENT	REFERENCE
<p>M1. The Bidder must provide a Repair and Overhaul Plan which clearly demonstrates how it meets the 90 days turnaround time (TAT) for completion of work. The plan must demonstrate how the Bidder will mitigate a work stoppage or slowdown of the repair line due to lack of items needed to support this SOW.</p>	
<p>M2. The Bidder must specify how DND equipment and parts awaiting repair and those that are serviceable awaiting return are securely stored in the R&O facility and protected from exposure to weather and physical factors that can lead to damages.</p>	
<p>M3. The bidder must provide a floor plan drawing showing the facilities and secured areas, including a list of material that will be used to protect the DND assets.</p>	
<p>M4. The Bidder must provide a letter from the OEM to prove that they are the Original Equipment Manufacturer or an authorized distributor for the receipt of the specification(s) updates and OEM Service Bulletins.</p>	
<p>M5. The Bidder must provide a business plan that clearly demonstrates a minimum of three (3) continuous years of experience during the last 15 years in providing R&O services for similar items for which the bid is being submitted.</p>	
<p>M6. The Bidder must provide a curriculum vitae for the Repair and Overhaul Manager (R&OM) which demonstrates a minimum of three (3) continuous years in the last eight (8) years in managing similar R&O work for which the bid is being submitted and a minimum of one (1) continuous year in the last five (5) years of supervisory experience.</p>
