RFI Amendment No.007 is issued to:

- A. Extend the RFI closing date to June 30, 2022, 2:00 PM EST.
- B. To inform vendors that the Request for Information (RFI) closing date has been extended as a result of the insights attained during the one-on-one engagement sessions conducted during the period from November 24, 2021 to December 10, 2021. Canada sincerely thanks all engaged participants for taking the time and resources to provide feedback which is being used to refine the Automatic Identification Technology (AIT) procurement strategy as well as the Statement of Work (SOW) and Request for Proposal (RFP).

Canada would like to advise industry that additional one-on-one sessions are not being considered at this time. Sufficient information is now available to finalize the draft solicitation documents; however, should Canada require any future engagement with industry, then requests will be posted directly on buyandsell.gc.ca with the expectation that any discourse be conducted in writing by email. It should also be noted that industry is welcome to provide written feedback or additional information at any time up to and including the closing date of the RFI.

Canada anticipates posting a revised draft RFP by **June 30, 2022**. Industry will be provided with sufficient time to highlight areas for improvement within this draft RFP. It is expected that the RFP will further be refined and ready for final publication during the Fall **of 2022**.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
