All enquiries must be submitted in writing to the Contracting Authority no later than ten (10) business days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Bidders. ANNEX A – Statement of Work

The Correctional Service of Canada, as part of the criminal justice system, contributes to the protection of society by actively encouraging and assisting offenders to become law-abiding citizens, while exercising reasonable, safe, secure and human control.

1.1 BACKGROUND

One of the primary corporate priorities of the Correctional Service of Canada is the safe management of eligible offenders during their transition from the institution to the community, and while on supervision.

Commissioner's Directive 712-1 paragraph 57-58 suggests that, to enhance an offender's transition to the community, the Parole Officer will assess the need for an accompaniment. Policy indicates that inmates who may benefit include those on statutory release, those subject to a long-term supervision order, and those with mental or physical barriers or any inmates where an accompaniment would assist in the inmate's transition to the community. The first 24 hours after release is one the most challenging times for offenders and providing accompaniment will assist in the safe transition of offenders to the community.

1.2 OBJECTIVES

The Contractor must provide transportation/accompaniment services for offenders being released from Institutions within the Pacific Region to their respective community release destinations.

1.3 SCOPE

This contract is to provide services that enhance a seamless transition of in-custody offenders back to the community, and specifically back to a Community Residential Facility (CRF) or Community Corrections Centre (CCC). The Contractor must provide transportation services from the institution where the offender is being released, to any CRF/CCC site within British Columbia. The following types of offenders will be prioritized for accompaniments:

- Offenders who are scheduled for release on Statutory Release with Residency or at Warrant Expiry and are subject to a Long-Term Supervision Order with a Residency; and will be residing at one of the regional Community Residential Facilities which have received additional resources through the High Risk Offender initiative (e.g., Belkin Enhanced CRF and Harbour Light CRF in Vancouver, Salvation Army CRF in Victoria, Harvey House CRF in Kelowna and Activators CRF in Prince George).
- Offenders released from Pacific, Kent, Mission, Mountain or Matsqui Institution on Statutory Release with Residency to a CRF / CCC not identified above.
- Offenders released from any other Medium or Multi-level institution on Statutory Release with Residency to a CRF/ CCC not identified above.
- Offenders being released on Statutory Release (without a Residency condition) who may present as higher risk for going Unlawfully at Large (UAL) (e.g. mental health needs, high profile offender etc.)

1.4 ESTIMATED LEVEL OF EFFORT

Based on the previous 6 month period, it is estimated that the level of effort will be approximately 30 accompaniments each month.

A Minimum four (4) hours paid for each day of call out

1.5 TASKS

- 1.) The Contractor must follow clear and detailed transportation instructions without deviation, except as pre-approved by Temporary Detention Unit (TD Unit) Parole Officer Supervisors;
- 2.) The Contractor must use Government Vehicles, provided by CSC, for transportation purposes, this includes picking up the vehicle from its specified storage location at the designated Institution, picking up offender(s) from the designated Institution-Admissions and Discharge, transporting offenders and any personal belongings directly to their specified destination. The Contractor must return the Government vehicle directly back to the designated institution;
- 3.) If specified documents are forwarded with the transportation of the offender the Contractor must give them directly to a staff member at the CBRF/CCC. The Contractor must ensure that any CSC information and/or documents in his/her keeping are handled, transported and stored in accordance with the security and protection of personal information requirements of the contract;
- 4.) Upon delivery of the offender to the destination, the Contractor must make in-person contact with a CSC or CRF staff member to formally complete the transportation transaction;
- 5.) The Contractor must not use the Government Motor Vehicle for personal use at any time and under any circumstance;
- 6.) The Contractor must provide a backup resource to ensure continuity of services if the Contractor is unable to provide services in person due to, but not limited to, vacation or prolonged illness (illness of more than five (5) days). Any backup resource must have the qualifications and experience needed to meet the criteria used to select the Contractor and must be acceptable to CSC. The backup resource must also possess a valid security screening in accordance with the contract's security requirements.

1.6 REPORTING REQUIREMENTS

The Contractor must maintain a record of all accompaniments using the template provided (attached at Annex D). Data must be hand written by the Contractor and only contain the offender's surname, no FPS, as the security requirements of the contract do not allow for the processing of protected information.

The Contractor must provide the supervising Parole Officer with a verbal report of the offender's behavior, attitude, motivation and plans, noted during the period of accompaniment.

The Contractor must send data collected on a monthly basis to the Project Authority as part of the invoice submission.

1.7 LOCATION OF WORK

The Contractor must perform the work throughout British Columbia.

1.8 LANGUAGE OF WORK

The Contractor must perform all work in English

1.9 CONSTRAINTS

The Contractor and all backup resources must hold a valid driver's license for the duration of the contract and any option period if and when exercised by Canada. The Contractor must provide a copy of the valid driver(s) license(s) upon request from the Project Authority at any time during the contract period and option period(s).

The Contractor must immediately notify the Project Authority if his/her and/or a backup resource's driver's license is revoked.

ANNEX B – Proposed Basis of Payment

For payment purposes, the level of effort expended (total hours of work) will commence from the time of pickup of the Government Motor Vehicle and will end upon return of the vehicle for same day accompaniments.

For accompaniments that require overnight accommodation (i.e. Prince George), the level of effort expended (total hours of work) for day one will commence upon vehicle pickup and end upon offender drop off. The level of effort for day 2 will commence the following day upon start of return travel and end upon return of vehicle to the institution.

The inclusion of volumetric data in this document does not represent a commitment by Canada that Canada's future usage of the services described will be consistent with this data.

Evaluation Criteria

1.0 Technical Evaluation:

1.1 The following elements of the proposal will be evaluated and scored in accordance with the following evaluation criteria.

- Mandatory Technical Criteria
- Rated Technical Criteria

It is **imperative** that the proposal **address each of these criteria to demonstrate that the requirements are met.**

1.2 LISTING EXPERIENCE WITHOUT PROVIDING ANY SUBSTANTIATING DATA TO SUPPORT WHERE, WHEN AND HOW SUCH EXPERIENCE WAS OBTAINED WILL RESULT IN THE STATED EXPERIENCE NOT BEING CONSIDERED FOR EVALUATION PURPOSES.

1.3 All experience must be strictly work-related. Time spent during education and/or training will not be considered, unless otherwise indicated.

1.4 Experience must be demonstrated through a history of past projects, either completed or on-going.

1.5 References must be provided for each project/employment experience.

I. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a Public Servant**, the reference must be a Public Servant who had a supervisory role over the proposed resource during the stated employment.

II. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a consultant**, the reference must be the Public Servant who was identified as the Project Authority of the project on which the proposed resource acquired the experience.

III. References must be presented in this format:

- a. Name;
- b. Organization;

II. Bidders are also advised that the month(s) of experience listed for a project or experience whose timeframe overlaps that of another referenced project or experience will only be counted once. For example: Project 1 timeframe is July 2001 to December 2001; Project 2 timeframe is October 2001 to January 2002; the total months of experience for these two project references is seven (7) months.

III. For any requirements that specify a particular time period (e.g., 2 years) of work experience, CSC will disregard any information about experience if the technical bid does not include the required month and year for the start date and end date of the experience claimed.

- IV. CSC will also only evaluate the duration that the resource actually worked on a project or projects (from the start date to end date), instead of the overall start and end date of a project or a combination of projects in which a resource has participated.
