MS	MicroSoft®
PDF	Portable Document Format
SOW	Statement of Work
TA	Technical Authority

2 DELIVERABLES

2.1 Bid Samples

2.1.1 The Contractor must deliver BS manufactured IAW Annex B Statement of Work, Annex C Pistol Technical and Performance Specifications and Annex D Holster System Technical and Performance Specifications as follows:

2.1.1.1 Eight (8) x C22 MPP Systems IAW Annex B Figure 1 containing Items 1, 2, 3 and 4. Item 1 is the C22 Full Frame (FF) Pistol in medium grip size;

2.1.1.2 Eight (8) x C22 FF small grip frame housings or back straps/back strap removal tools;

2.1.1.3 Eight (8) x C22 FF large grip frame housings or back straps/back strap removal tools;

2.1.1.4 One (1) x threaded barrel for the C22 FF Pistol which will accept the installation of a suppressor meeting the requirements at Annex C, 3.17 Suppressor;

- 2.1.1.5 Five (5) x Holster System Configuration 1 IAW Annex B Statement of Work that meet the requirement of Annex D Holster Technical and Performance Specifications including the hardware necessary to permanently mount the holster IAW Annex D paragraph 3.1.7;
- 2.1.1.6 Three (3) x Holster System Configuration 2 IAW Annex D B Statement of Work that meet the requirement of Annex D Holster Technical and Performance Specifications including the hardware necessary to permanently mount the holster IAW Annex D paragraph 3.1.7; and
- 2.1.1.7 Two (2) x C22 FF pistol conversion kits to convert the C22 FF pistols at paragraph 2.1.1.1 to accept a red dot sight.
- 2.2 **Documentation**
 - 2.2.1 The Contractor must provide one (1) electronic copy (MS Word or searchable PDF format) Armourers Maintenance/Repair Manual, in English.
 - 2.2.2 The Contractor must provide one (1) electronic copy (MS Word or searchable PDF format) Owner/Operator Manual, in English.
- 2.3 **Maintenance Tools**
 - 2.3.1 The Contractor must provide any special tools required to conduct maintenance during Phase 2 and Phase 3 of Bid Evaluation.
 - 2.3.2 The Contractor must provide headspace and barrel gauges and procedures to allow Canada to conduct a Safety Inspection at the start of Phase 2 and Phase 3 of Bid Evaluation.
 - 2.3.3 The Contractor must provide two (2) grip inserts for the C22 FF medium grip size pistol so it can be securely mounted into a ransom rest for bid evaluation. The grip inserts should be procured from Ransom International (<https://ransomrest.com/>) to ensure compatibility with our test fixtures. Canada replaced the Star Knobs which tighten the ABC plate on the ransom rest with nuts to ensure identical torque settings can be applied for all groupings. If the Contractor has optimal torque setting recommendations these should be provided to Canada with the grip inserts. If the Contractor does not provide optimal torque setting recommendations Canada will determine and use what they consider to be the optimal torque settings.
- 2.4 **Consumable and Spare Parts**
 - 2.4.1 The Contractor must provide consumables and spare parts to support Phase 2 and Phase 3 of Bid Evaluation.
