Description of the Requirement:

The Public Health Agency of Canada (PHAC) and Health Canada (HC) are seeking to issue contracts each with at least one up to a maximum of four qualified Senior Auditor resources, as defined in Annex "A", Statement of Work. The services to be provided under the Contract will be on an "as and when requested" basis only via Task Authorizations (TA). The period of any resulting contracts will be from the date of contract award to March 31, 2024 inclusive. The resources must be available to work on site

within the National Capital Region at 785 Carling Ave., Ottawa, Ontario and off-site at their own facilities. The work location will be determined in each TA.

PHAC and HC are seeking to establish contracts under the Professional Audit Support Services Supply Arrangement (PASS SA), under the following Stream:

1. Internal Audit Services.

Canada is seeking to establish contracts for a total of four qualified resources in the role of Senior Auditor with up to four qualified firms.

Level of Security Requirement:

Security requirement for Canadian supplier: Public Works and Government Services Canada (PWGSC) file # Common-professional services security requirement check list #19

1. The contractor must, at all times during the performance of the contract/standing offer, hold a valid facility security clearance at the level of **secret**, issued by the Contract Security Program (CSP), Public Works and Government Services Canada (PWGSC)
2. The contractor personnel requiring access to **protected/classified** information, assets or sensitive work site(s) must **each** hold a valid personnel security screening at the level of **reliability status or secret** as required, granted or approved by the CSP, PWGSC
3. The contractor **must not** remove any **protected/classified** information from the identified work site(s), and the contractor/offeror must ensure that its personnel are made aware of and comply with this restriction
4. Subcontracts which contain security requirements are **not** to be awarded without the prior written permission of the CSP, PWGSC
5. The contractor/offeror must comply with the provisions of the:
 1. Security Requirements Check List, attached at Annex C
 2. Contract Security Manual (latest edition)

7.3.2 The Company Security Officer (CSO) must ensure through the [Contract Security Program](#) that the Contractor and proposed individuals hold a valid security clearance at the required level.
