

FINANCIAL EVALUATION CRITERIA

Bidder must submit their cost for virtual office ergonomic assessment and in person ergonomic assessment separately for the 2 fiscal years (April 1, 2022 to March 31, 2024).

Detailed cost must be submitted including at minimum the following information:

- Please provide a price per evaluation.
- Time required to do office ergonomic assessment and cost associated;
- Time required to prepare and submit report and recommendation and cost associated;
- Cancellation less than two (2) working days before appointment scheduled or no-show cost;
- Other costs with justification.

Price per region	Price per evaluation	Time required to do office ergonomic assessment and cost associated	Time required to prepare and submit report and recommendation and cost associated;	Cancellation less than two (2) working days before appointment scheduled or no-show cost;	Other costs with justification.
