Solicitation Amendment #10 is issued to answer potential bidders questions.

**Question #1:**

**Room M4a** – the Function identifies the room as *Wireless conferencing solution with Barco CX-30 and 75" TV*, but the IT requirement asks for *Data port for TC-8 for the G7500*. Kindly provide clarification as there is no g7500 in the design/function.

**Answer #1:**

Room M4a: For 22 Eddy, the data TC-8 line should be removed.

**Question #2:**

**Room M5a** Asks for a loop system. In normal circumstances, the loop system is fed from a DSP to provide both far-end and in-room audio, but in Room M5, the client is providing the G7500, 3 ceiling mics, and an eagle eye camera. The reply in Amendment 003 indicates that the audio will be from a monitor. How does the client plan to connect the loop system without a DSP?

**Answer #2:**

Room M5 since there is no M5a on the 22 Eddy document. The line about a hearing aid system should be removed as we are no longer asking for a hearing aid system as part of this RFP.

All other terms and conditions remain the same
