**February 23, 2022**

**ADDENDUM NO. 1**

Subject: Request for Proposal No. T8080-210618  
HWY.3.A. - Evaluation of American Society of Mechanical Engineers (ASME) Boiler and Pressure Vessel Code (BPVC) Section XII requirements for the manufacture and continued service of highway tanks in Canada

Further to the above-mentioned Request for Proposal, this Addendum (#1) is to advise potential bidders of questions received during this tender call to date. Both the question and the response is indicated in the attached Annex A-1.

All other terms and conditions remain unchanged.

**Tenderers are to acknowledge this Addendum by signing in the space provided below and enclosing a copy of this document with their tender submission.**

Yours truly,

**Natasha Blackstein**  
Contracting Specialist  
Materiel and Contracting Services

**Annex A-1**

- Q1.** Criterion MC2: Will Transport Canada consider completely removing the requirement that the bidder has gained its 3 years experience since March 31, 2015? If not, will this period be extended, for example, to consider experience gained since March 31, 2010?
- A1.** Transport Canada will not modify the required period for experience for MC2.
- Q2.** Criterion RTC2: Will Transport Canada consider completely removing the requirement that the bidder has gained its experience since March 31, 2015? If not, will this period be extended, for example, to consider experience gained since March 31, 2010?
- A2.** Transport Canada will not modify the required period for experience for RTC2.
- Q3.** Transport Canada will not modify the required period for experience for RTC3.
- A3.** Transport Canada will not modify the required period for experience for RTC3.
- Q4.** If experience was previously gained working for an employer that was a contractor for the military, how can a bidder disclose some of the specific details of the projects worked on?
- A4.** Transport Canada understands that bidders may only be able to share limited information on some completed projects, due to the nature of the work, the employers involved, or some other matter of confidentiality. Please identify these issues in the bid, and make best efforts to share information, within the limits of confidentiality requirements, to allow Transport Canada to assess the nature of the work performed.
