

ANNEX B.1.B BANFF UHSP HVAC RATES
REGION #1: Banff Upper Hot Springs Pools, Banff National Park

ANNEX "B" - BASIS OF PAYMENT - B.1.B BANFF UHSP HVAC RATES

Financial Offer Submission Requirements

- (a) The Offeror must submit their financial offer in accordance with the Basis of Payment.
- (b) The Offeror must provide pricing for all items listed under the region and trade of interest for years one, two and three of a resulting Standing Offer. The Offeror is not required to provide pricing for all regions and trades.
- (c) All prices are in Canadian dollars, FOB destination
- (d) Customs duties are included and Applicable Taxes are extra.

FIRM HOURLY RATES

1. Firm Hourly Rates for Services

1.1 Rate 1: Firm Hourly Regular Rate

This rate includes the provision of the labour of the specified trade when the work has been performed for eight (8) hours or less per day, exclusive of meal breaks. The rate is inclusive of but not limited to all extra charges, such as off hour premiums, supplies, safety equipment, meals, and incidentals, with the exception of mobilization/demobilization (please see 2. Rate of Pay Specifications below).

1.2 Rate 2: Firm Hourly Rate for Work in Excess of 8 Hours & Urgent Work

This rate includes the provision of the labour of the specified trade when the work has been performed in excess of eight (8) hours per day as well as all Urgent Work, as defined by the PCA Project Authority, exclusive of meal breaks. The rate is inclusive of but not limited to all extra charges, such as off hour premiums, supplies, safety equipment, meals, and incidentals, with the exception of mobilization/demobilization (please see 2. Rate of Pay Specifications below).

1.3 Rate 3: Firm Hourly Weekend and Statutory Holiday Rate

This rate includes the provision of the labour of the specified trade when the work has been performed on weekends or statutory holidays. The rate is inclusive of but not limited to all extra charges, such as off hour premiums, supplies, safety equipment, meals, and incidentals, with the exception of mobilization/demobilization (please see 2. Rate of Pay Specifications below).

2. Rate of Pay Specifications

2.1 Mobilization/Demobilization Rate

No mileage rate or fuel costs will be paid. The mobilization/demobilization rate is to reflect all round trip costs inclusive but not limited to travel time, fuel and mileage from the time the Contractor leaves the Contractor's place of business until the Contractor arrives on site and vice versa. The hourly rate of pay will be applied from the time the Contractor arrives on site until the Contractor leaves the site.

- 2.2** The Contractor will not be able to submit any charges beyond the established rates in Annex "B".
