QUESTIONS AND ANSWERS

Question 7.

We would like to confirm with you if the work is at night as indicated in the work schedule and constraints to the general contractor: "The work will take place from 6:00 p.m. to 6:00 a.m. on working days"

Answers : As mentioned in section 01 14 00: The interior works will be held from 18h00 to 6h00 on working days. Unless otherwise indicated, the construction site will remain closed on Saturdays, Sundays and holidays. For all requests outside working hours or working days, approval is required by Departmental representative two weeks in advance.

Question 8.

The work to remove paint containing lead using the sandblasting method will take place over a period of 3 days. Given the time restrictions for noisy work (a compressor on the street is necessary and very noisy) this work will have to be done during the day of the week. Thank you for taking notes.

Answers : This work can be done during the day working hours.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
