R.116548.001

2022-01-17

1.1 GENERAL

- .1 Departmental Representative will supply certain materials in the Contract for installation and incorporation into the Work by the Contractor.

1.2 MATERIAL SUPPLIED

- .1 Departmental Representative will supply the following:
- 635 pieces of 200mm X 200mm pressure treated timbers at 6100mm lengths.
 - 120 pieces of 200mm X 200mm pressure treated timbers at 9150mm lengths.

Note that the timbers supplied by the Departmental Representative is not a complete list of timber required to complete the work, as shown on the drawings. Contractor to verify quantities and supplement the material supplied by Departmental Representative as required to complete the full scope of work.

- .2 The location of the material supplied by the Departmental Representative is at the immediate work site (at the SAR facility in Burin, NL).

1.3 DELIVERY REQUIREMENTS

- .1 Once turned over to the Contractor, the Contractor is to make a complete check of the timber and report discrepancies to the Departmental Representative.
- .2 Failure of the Contractor to make a complete check of the Departmental Representative-supplied material and to acknowledge receipt of same shall not relieve him of this contractual responsibility to replace or repair any item subsequently found to be missing or damaged.

- .3 Departmental Representative will make final determination as to whether an item can be repaired or must be replaced.

1.4 CONTRACTOR'S
DUTIES

- .1 Confirm the location of the material on site in the presence of the Departmental Representative.
- .2 Take possession of Departmental Representative-supplied material immediately and be responsible for moving it to the immediate site location. Obtain and pay for services to load and transport to site. Handle at site, including lifting, uncrating etc.
- .3 Provide protection against inclement weather and site damage by use of appropriate covers.
- .4 Be responsible for the protection of such material against damage, loss, theft and fire from date of receipt until final installation of work is accepted by the Departmental Representative.
- .5 Any damage or loss of such material shall result in the Contractor being responsible for replacement or repair of timber at no cost to Departmental Representative.
- .6 The decision as to whether damaged items may be repaired or must be replaced with new materials shall be the Departmental Representative's decision.
- .7 Install such material and incorporate into the work. Perform assembly and make all connections as required to make item functional.
