Solicitation Amendment 001 is raised to:

- Replace posted Bid and Acceptance form in the Invitation to Tender document with new form reflecting the updated September 01, 2022 completion date and July 01, 2022 onsite start date.

The following changes in the tender documents are effective immediately. This Addendum will form part of the contract documents.
--

Questions and Answers

Question 1: Are there any Hazardous materials present in the concrete float ?

Answer 1: There is no known hazardous materials present in the concrete float. For tendering purposes, assume no hazardous material present in concrete float. Any abatement if required and disposal of hazardous material if required will be extra.

Question 2: What is the anticipated start date of the project?

Answer 2: There is no specific start date. The float is available, sitting on the water ready to be removed and demolished. Work on site can begin upon award and receipt of required preconstruction submittal.

Question 3: Please confirm if there is Styrofoam in the concrete float.

Answer 3: The concrete float is made with compartments filled with Styrofoam buoyancy billet as per appendix B reference drawing.
