CBSOS - Initial for CSS Status Update

With this amendment, Shared Services Canada (SSC) would also like to provide potential Offerors with an update on the status of this CBSOS procurement process.

Current Status

This CBSOS procurement process is currently at Stage 4 - Invitation to Qualify Solutions. On March 4, 2022, SSC published the CBSOS Solicitation No. CSS0924221B, as a follow-up to the CBSOS No. CSS092421A, dated September 24, 2021, which had a closing date of January 30, 2022. Based on findings from the ItR - Wave 1, under the CBSOS No. CSS092421A, Canada has decided to invite Software Publisher and Original Equipment Manufacturer Offerors to qualify their Solutions, via a “pre-screening process”.
