Title

Women’s Voice and Leadership in Haiti Project Monitor

Description of Work

DFATD requires the services of a consultant (herein referred to as the Project Monitor) to:

- Use feminist, participatory and bottom-up learning approaches to monitor projects;
- Integrate data, analysis, observations and written comments into regional and global monitoring activities (as directed by the Regional Coordinator);
- Monitor project management, progress towards the achievement of results, and overall operating structure, as well as any other project issues identified by the program;
- Provide analysis, feedback, lessons learned and recommendations to DFATD, implementing partners, WROs, and other stakeholders after each mission to ensure appropriate implementation of activities and improve performance;
- Work collaboratively with DFATD to strengthen feminist monitoring approaches and contribute to regional monitoring and learning.

Incumbent Information

There has not been any incumbents performing this work in the past 12 months.

Contract Authority

Contracting Authority: Claudine Morin
 E-Mail: claudine.morin@international.gc.ca

Inquiries

Inquiries regarding this RFP requirement must be submitted to the Contracting Authority named above. Request for Proposal (RFP) documents will be e-mailed directly from the Contracting Authority to the Qualified Supply Arrangement Holders who are being invited to bid on this requirement. BIDDERS ARE ADVISED THAT “BUYANDSELL.GC.CA” IS NOT RESPONSIBLE FOR THE DISTRIBUTION OF SOLICITATION DOCUMENTS. The Crown retains the right to negotiate with any supplier on any procurement. Documents may be submitted in either official language.

NOTE: TSPS is the mandatory method of supply for the provision of non-informatics professional services, both task and solutions based, at or above the North American Free Trade Agreement (NAFTA) threshold. This method of supply covers five core areas of expertise that are commonly and nationally used: human resources services; business consulting/change management; project management; real property project management services; and technical engineering and maintenance services.

For contact information please refer to PSPC's [Contact Acquisitions page](#).
