

## TENDER ADDENDUM

### Professional Services in Environmental Engineering – Contaminated Sites

SS005

March 23, 2022

#### ADDENDUM No. 4

---

The present addendum is raised to answer the questions below.

The following shall be read in conjunction with and shall form an integral part of the Tender / Proposal and Contract Documents:

**Question 28:** Rated Requirement 4 – Personnel Expertise and Experience requests that we provide CVs for in-house personnel with the capability, capacity and experience in each area listed in Section 4.0 (Environmental Consulting Services Section). This includes 8 senior and 12 project personnel for a total of 20 resources. Please confirm if the expertise of these 20 resources should focus on the primary services (ECS1 to ECS5) and not include any specialists for the additional services, such as structural or civil engineering.

**Answer 28:** Yes, CVs to be provided for the 'Core Team' should focus on the in-house personnel who will perform the majority of the primary services (ECS1 to ECS5) resulting from this SOA.
