The amendment to the bid solicitation is to address the enquiries received:

Response(s) (R) to Question(s) (Q):

Q2. Our parent company has a lot of experience with waste to energy systems on the planning, design and implementation side. Unfortunately, between our firms we do not have experience on the policy research side. On this basis would our firms not be eligible for submitting a bid?

R2. This is an open solicitation; any contractor can submit a bid. The evaluation process after the bid solicitation closes determines whether a Contractor is successful in their bid.

Q3. Is there a list of the companies who downloaded the RFP available?

R3. No, that information is not made available to ECCC or the public.

All other terms and conditions of the Bid Solicitation remain the same.
