Amendment 008 has been raised to modify the Request for Proposal (RFP) and publish all answers to questions received to-date.

#### **A. QUESTIONS AND ANSWERS**

- Q1.** Section 5.17 of the SOW outlines the requirements for training. In 5.17.3.2, 5.17.3.3 and 5.17.3.4, the training videos, on-line training and additional live training sessions are identified as Optional. Section 5.17.4 para 3 and para 4 discuss a 'quote for videos' and a 'quote for on-line training'. The preceding references appear to be in conflict with DID RDS-ILS-117 which notes that the Training Package must include a minimum of a PowerPoint presentation, on-line training and short videos.

Can you please confirm if the cost of bilingual (final versions per Amendment 005) videos and bilingual (final versions per Amendment 005) on-line training is to be included in the Financial Bid as part of Annex F? If the response is yes, please advise where these costs should be included in Annex F (Table number and line number).

- A1.** Canada requires the 3 training modules (SOW 5.17.3.1) and 1 training session (SOW 5.17.4) as mandatory deliverables and can be priced out in Annex F, Table 2, lines 11 and 12 respectively. Canada requires pricing only for the bilingual (final versions per Amendment 005) videos and bilingual (final versions per Amendment 005) on-line training which may be exercised at any time during the term of the contract. Line items (17 & 18) have been added to Annex F, Table 3 and can be seen in Part B below.
