Solicitation Amendment No. 001

Title: Cemetery Maintenance for Manitoba

This solicitation is hereby amended to answer the following questions.

Question 1:

If we submit a bid for the entire RFP (Zones 1-5) and are successful, can we negotiate at that time if we proceed with signing all five contracts?

Answer 1:

As per Part 3.1, Section 1: Technical Bid, of the RFP, by submitting a proposal, the Bidder certifies they have read, understand and are capable of performing the work requirements as set out in the Statement of Work and Attachments at Annex "A".

As per Article 6.4 of the RFP, the period of the Contract is from date of award to March 31, 2023 and all the deliverables must be received on or before March 31, 2023.

Question 2:

Will the project authority have information prepared and complete that will allow us to begin work immediately?

Answer 2:

Yes, the Project Authority will have all information required to begin the work at contract award.

Question 3:

Is there an opportunity to negotiate the completion date of the work if all necessary information is not provided by VAC in a timely manner or if we have extenuating circumstances such as an early winter?

Answer 3:

VAC doesn't anticipate a need to extend the contract period. At contract award, all information required to begin the work will be available from VAC.

Question 4:

If we bid on only one zone will we then be given the opportunity to revise our bid to include all zones?

Answer 4:

Bids can be revised up to the closing date and time noted on the RFP.

If your bid has already been forwarded and you wish to revise, please advise.

All other terms and conditions of the solicitation remain unchanged.
