AMENDMENT NO. 06

Amendment No. 6 has been issued to:

1. Provide notice of an upcoming presentation by SSC to potential Offerors on **April 7th, 2022**; and
2. Provide Responses to questions received from potential Offerors

1. Notice of upcoming presentation by SSC to potential Offerors – April 7th

Please note that SSC will be providing a presentation to potential Offerors on **Thursday, April 7th, 2022 (1:30 PM – 2:30 PM EDT)**.

The presentation is titled ‘**What We Heard Presentation – Stage 4/Invitation To Qualify**’, and will aim to provide potential Offerors valuable information regarding CBSOS [No. CSS092421B](#) for a Cloud-based Security Services Solution (CSS).

To register, potential Offerors are requested to fill out all requested information in the registration form outlined in the Notice of Procurement section (NPP) of **Solicitation No. CSS092421B**, which can be found on Buyandsell.gc.ca.

Note to SP/OEM Offerors: the registration link to sign up for the Presentation is available on Buyandsell.gc.ca.

2. Provide Responses to questions received from potential Offerors

Q&A No.	Question	Response
1	<p>Q2 - For the requirement "WR2: Deployment Readiness: CCCS Assessment Process (10 Points)</p> <p>The Solution OEM should provide evidence that the proposed CSS solution has completed or is in the process of completing the Canadian Centre for Cyber Security (CCCS) Cloud Service Provider (CSP) Information Technology (IT) Security Assessment Process (ITSM.50.100)(https://cyber.gc.ca/en/guidance/cloudservice-provider-information-technology-securityassessment-process-itsm50100). The Solution OEM should provide documentation from CCCS in the form of a letter, an email or a report that confirms that</p>	<p>At this time, CSS solutions are expected to meet PBMM requirements in order to be used in production environments that processes PBMM data.</p> <p>The WR2 requirement is rated for the purposes of the pre-screening activity only.</p>

Q&A No.	Question	Response
	<p>the process is complete or is in progress."</p> <p><i>Will the Crown please confirm that all solution providers will need to meet PBMM data residency requirements (as assessed by CCCS) in order to be considered for a Standing Offer? In the past, this has been a mandatory requirement, why is it only a rated requirement at this time?</i></p>	
2	<p>For the requirement "WR5: Data Residency (Up to 10 Points)</p> <p>The Solution OEM should provide evidence that the CSS solution is currently deployed in an environment where the data and control planes of the solution reside within Canada. The Solution OEM must provide documentation that confirms the solution satisfies this requirement."</p> <p><i>Will the Crown please confirm that all solution providers will need to meet PBMM data residency requirements (as assessed by CCCS) in order to be considered for a Standing Offer?
