Amendment 006 of Request For Proposal (RFP) W8486-217958/A is raised to respond to questions received:

## **A. QUESTIONS & ANSWERS**

- Q32. We believe that the blunt impact method stated in NATO standard AEP2902, Method H, is equivalent to the requirements stated in Advanced Combat Helmet Purchase Description AR/PD 14-01 now referenced in Annex A Rev 1. Will DND allow vendors to submit 3rd party test reports which show compliance with AEP2902 Method H?
- A32. Yes, DND will accept 3rd party report meeting the description from AR/PD 14-01 para 3.9 & 4.10.12. Report need to include the result of blunt impact with a minimum impact velocity of 3 m/s (10 ft/s) as written in Annex A para 2.5.2.1.**
- Q33. We are unable to find the material required for the unit trial. Can PSPC provide the technical specifications of the fabric used to manufacture the helmet covers in the following colours: Coyote Brown or a close visual match to Coyote 476/498, AMS-STD-595 (FED-STD-595), colour chip #20150?
- A33. As written in Annex B para 2.8.2. DND will provide Government Supplied Material for the use in manufacturing DICE Helmet Covers only at the contract award. For the Bid sample cover material isn't defined but need to meet requirement of Annex B para 2.8.**

**All other terms and conditions remain the same.**
