Amendment 001 is raised to respond to questions and to extend the closing date as follows:

A.) SOLICITATION EXTENSION:

Solicitation closes at 2:00 PM (NDT) on Wednesday, May 4, 2022

B.) QUESTIONS & ANSWERS

Q1: Could you clarify the mandatory criteria requirements? Must qualified bidders demonstrate capability of completing an entire category? For example, must we be able to complete all components located in Criteria 1 (a,b and c) or all components in Criteria 3?

A1: **No, bidders do not need to qualify for all components under a Criteria category. Bidders must only select components for which they have work experience, and confirm this by referencing CVs, project profiles, etc.**

Q2: In regard to the geographic areas where bidders must identify where work can be completed. Is this subject to the size and location of the vessel we own or have access to?

A2: **This would be subject to any limitation that the bidder may have, which yes, may be due to size and location of vessel, geographic location of company office, etc. If the bidder is only able to conduct work in certain areas, i.e. travel or navigate to areas that may be defined in individual RFPs for the purposes of completing work objectives, please indicate which areas in the table. If a bidder has the ability to complete work in all areas, then they may indicate all areas in the table.**

Q3: Annex B defines significant experience as a minimum of two robust projects. Could you define a robust project? Would this be determined by monetary value or size of the project team?

A3: **The Evaluation Team will be looking at the projects with respect to the work objectives, completed activities, outcomes and deliverables, as it relates to the specific criteria. The monetary value of previous projects would not necessarily be a determining factor, but it would be beneficial for the Evaluation Team to know if the project is multi-faceted, the scale of the project geographically, and its duration (eg. if it is a multi-year project).**

Q4: Under **Part 3 - Arrangement Preparation Instructions** section 3.1 Arrangement Preparation Instructions on Page 8 of the RFSA Section II: Financial Arrangement states "Suppliers must submit the financial arrangement in accordance with the Annex B, Basis of Payment. Annex B provided on Page 30 of the RFSA is, however, Evaluation Criteria and not Basis of Payment. Upon further examination of the RFSA a Basis of Payment was not able to be located. Please kindly provide the Basis of Payment for Section II: Financial Arrangement.

A4: **Basis of Payment will be determined on a per contract basis, and therefore will be specified within individual RFPs under this SA.**

Q5: In regards to **Annex D Insurance Requirements** please confirm if Marine Liability Insurance required for all Criteria (i.e. Criteria 1-12 in Annex B Evaluation Criteria) or only for some Criteria? If Marine Liability Insurance is only required for some Criteria, please indicate which one(s).

A5: **Marine Liability Insurance is required under Criteria 9 for each vessel a bidder may include under "Availability of Vessels".**

Q6: This solicitation is set aside under the Procurement Strategy for Aboriginal Business (PSAB) for service delivery to areas that are subject to the Labrador Inuit Land Claims Agreement. Are all the geographic service areas in this Supply Arrangement (i.e. the Geographic Areas listed in Annex B Evaluation Criteria, Page 38) included in the Labrador Inuit Land Claims Agreement, or are there some that are not? If there are some that are not, please indicate which one(s).

A6: No, not all of the Geographic Areas listed in Annex B are included in the LILCA. However, this does not mean that work cannot be completed in those areas outside of the LILCA. As long as the companies can certify they meet the requirement to be an Indigenous business, they can select any/all Geographic Areas in which they can complete work.

Q7: This solicitation is set aside under the Procurement Strategy for Aboriginal Business (PSAB) for service delivery to areas that are subject to the Labrador Inuit Land Claims Agreement. Are all Criteria (i.e. Criteria 1-12 from Annex B Evaluation Criteria) part of the PSAB set aside? If there are some that are not, please indicate which one(s).

A7: Yes, all Criteria are part of the PSAB set-aside.
