In addition, only one all-inclusive hourly rate per classification per geographical Area per Offeror will be accepted and evaluated. If more than one all-inclusive hourly rate per classification per geographical Area from the same Offeror is received, Canada has the sole discretion to choose which all-inclusive hourly rate to evaluate.
- B.2 Offeror must submit their financial offer in accordance with the Annex "B", Basis of Payment using the spreadsheet for each of their offered Areas available under "Download and complete templates" at: <http://ont-sat-ths.tpsgc-pwgsc.gc.ca/docs/index-eng.cfm#dt-tg>. **The format of these spreadsheets must not be altered.**
- B.3 All of the Offeror's prices must be an all-inclusive firm hourly rate in Canadian funds excluding applicable taxes but including salary, overhead, profit, benefits, annual leave, sick leave, security clearance processing cost etc, for the provision of a temporary help unilingual English speaking resource. **Only one firm hourly rate (excluding overtime) is to be provided per classification, per category.** (Note: the Offeror should complete the "Company profile and contact information" section on each spreadsheet).

4.1.2.2. Financial Evaluation Procedure of All Offers/Rates:

4.1.2.2.1 Offers for each classification of each geographical Area will evaluated separately.

4.1.2.2.2 Firm all-inclusive hourly rates below the minimum wage for the respective Province/Territory will be deemed non-responsive and will be automatically removed and not evaluated any further.

4.1.2.2.3 Application of Preferential Margin for the purpose financial evaluation only: in accordance with Article 4.1.1.2. Point Rated Criteria and Annex F – Greening, Accessibility and Social Commitments, for each commitment demonstrated by the Offeror where the Offeror's supporting information is deemed acceptable by Canada, a Preferential Margin of 2% will be applied to the Offeror's responsive All Inclusive Firm Hourly Rate for each classification in each geographical area offered by the Offeror. Up to a maximum of 6% Preferential Margin could be applied.

Examples of application of preferential margin in financial evaluation:

Example 1:

- 1) Offeror A submits All-Inclusive Hourly Rates (above minimum wage) in accordance with Annex B for the classification General Labourers and Trades Helpers for these geographical areas: BC Vancouver, Fraser Valley Area, BC Vancouver Island Area, BC Central and Northern British Columbia Area and Yukon Area.
- 2) Offeror A's All Inclusive Firm Hourly Rate for these areas before Preferential Margin is applied is \$24.50.
- 3) Offeror A also submits in their offer, the acceptable supporting documents requested in Annex F – Greening, Accessibility and Social Commitments.
- 4) After evaluation of the Offeror's response to Annex F, Canada determines that the Offeror has submitted the acceptable supporting documents to demonstrate their compliance to 1 out of 3 Greening, Accessibility and Social Commitments.
- 5) Therefore, a Preferential Margin of 2 % will apply to the Offeror A's All Inclusive Firm Hourly Rate for the General Labourers and Trades Helper classification for each geographical areas they offered: $\$24.50 \times (100-2) \% = \24.01 .
- 6) \$24.01 will be Offeror A's All-Inclusive Firm Hourly Rate of their General Labourers and Trades Helpers for the areas, BC Vancouver, Fraser Valley Area, BC Vancouver Island Area, BC Central and Northern British Columbia Area and Yukon Area., that will be evaluated in Article 4.1.2.2.4's Step 1: Initial Screening of Rates for each classification of each area.

NOTE: UPON THE ISSUANCE OF STANDING OFFERS, THE ALL INCLUSIVE FIRM HOURLY RATE FOR EACH CLASSIFICATION WILL REMAIN UNCHANGED FROM THE OFFER. THE PREFERENTIAL MARGIN WILL BE APPLIED ONLY FOR EVALUATION PURPOSES.

Example 2:

- 1) Offeror B submits All-Inclusive Hourly Rates (above minimum wage) in accordance with Annex B for the classification General Labourers and Trades Helpers for these geographical areas: BC Vancouver, Fraser Valley Area, BC Vancouver Island Area, BC Central and Northern British Columbia Area and Yukon Area.
- 2) Offeror B's All-Inclusive Firm Hourly Rate for these areas before Preferential Margin is applied is \$24.50.
- 3) Offeror B does not submit a response to Annex F – Greening, Accessibility and Social Commitments.

- 4) Therefore, the Preferential Margin will NOT apply to the All-Inclusive Firm Hourly Rate for any of the categories offered by Offeror B.
- 5) \$24.50 will be Offeror B's All-Inclusive Hourly Rate of their General Labourers and Trades Helpers for the areas: BC Vancouver, Fraser Valley Area, BC Vancouver Island Area, BC Central and Northern British Columbia Area and Yukon Area, that will be evaluated in Article 4.1.2.2.4's Step 1: Initial Screening of Rates for each classification of each area.

4.1.2.2.4 All remaining responsive offers will proceed to the next financial evaluation stage as follows:

Step 1: Initial Screening of Rates for each classification of each Area

Limit "A" = average all-inclusive hourly rate less 20%
Limit "B" = average all-inclusive hourly rate plus 20%

Offers proposing All-Inclusive Hourly Rate which fall under limit "A" will be recommended for issuance of a standing offer pending verification of certifications as per Part 5 and verification of security clearance as per Part 6. Offers proposing All-Inclusive Hourly Rates which are over limit "B" will be rejected and deemed non-responsive. The All-Inclusive Hourly Rates which fall between these two limits will be used in the calculation of Step 2.

Step 2: Final Screening of Rates for each classification of each Area

A new average will be calculated using the All-Inclusive Hourly Rates remaining from the initial screening (rates that have not been initially accepted or rejected in Step 1). The remaining rates falling on the new average all-inclusive hourly rate or below the new average all-inclusive hourly rate plus 5% will be recommended for issuance of a standing offer pending verification of certifications as per Part 5 and verification of security clearance as per Part 6.

All-Inclusive Hourly Rates which exceed the Step 2's new average all-inclusive hourly rate plus 5% will be rejected, deemed non-responsive and excluded from further consideration in the electronic catalogue.

4.2 Basis of Selection

An offer must comply with the requirements of the Request for Standing Offers and meet all mandatory technical and financial evaluation criteria to be declared responsive. The responsive offer on an item by item basis will be recommended for issuance of a standing offer.

Should the Offeror not specify a bilingual staff member, it will be presumed the services will be unilingual English only.

1.5 Overtime

The overtime multiplier should be identified on the appropriate location of the spreadsheet but will not be used in the evaluation. The overtime multiplier will be identified in the catalogue for overtime situations and to break "ties" to rank firms with the same firm hourly rates. The overtime multiplier is that quoted number which when multiplied by the firm hourly rate for any classification will yield a bill rate in situations when a Project Authority has specifically authorized overtime as applicable to the Province/Territory where services are provided. The overtime rates will be calculated by multiplying the overtime multiplier by the firm hourly rate for the classification provided. The overtime multiplier must not include any element of overhead and profit, but confined solely to the increase in wages and employer contributions.

Example:

Firm hourly rate: \$20.00/hour

Rate exclusive of overhead, profit, benefit, etc.: \$15.00/hour

Although employee gets 1.5x their rate for overtime the overtime multiplier would be 1.125 not 1.5. The Standing Offer Authority will be performing periodic audits to ensure that the overtime multiplier is less than 1.5.

Overtime rates can only be paid for time worked at the given assignment in excess of the hours stipulated by Provincial/Territorial Legislation per week (and/or per day). For the purposes of calculating overtime, the week begins on Monday. All overtime requires the prior approval of the Project Authority and no other reason will justify billing at the overtime rates.

1.6 Statutory Holidays/Annual Leave/Sick Leave:

No temporary help personnel shall work on a statutory holidays identified within this article. Statutory holiday pay is the sole responsibility of the Offeror. Temporary help personnel are not to work on any of the statutory holiday identified in the sentence below.

Federal government offices are generally closed on the following statutory holidays: New Year's Day, Good Friday, Easter Monday, Victoria Day, Canada Day, Civic Holiday, Labor Day, Thanksgiving Day, Remembrance Day, Christmas Day, and Boxing Day.

Canada will not accept any charges for statutory holidays or annual leave or sick leave incurred by the Offeror as a consequence of satisfying the terms of the resulting Call-up.

1.7 Family Day:

Family Day is observed as a public (or statutory) holiday in the province of Ontario and is held every year on the third Monday of February. This is an Ontario provincial holiday that the Federal Government of Canada has not adopted and, as a result, all Identified Users should not request temporary help resource to work on Family Day.

1.8 Interview fees for administrative support categories only:

Canada has the right to request an interview for temporary help employees. Normally, interviews are not necessary for employees in the Administrative Support category because Offerors have already carried out a selection process using interviews and tests. When an Identified User invites an administrative support candidate to an interview, the Offeror will charge the department or agency the equivalent of four (4) hours of work, at the rate established for the level in question. In this situation, the Identified User will issue a call-up and sign the time sheet.

Interviews required for other categories will not be charged under the Standing Offer. It is the duty of a Standing Offer Holder to find up to three (3) of the best qualified employees available to meet the requirements. In these categories, Standing Offer Holders will provide résumés or work samples of the proposed personnel and the Project Authority will be entitled to one (1) interview for up to three (3) candidates, at no charge.

1.9 No charge for Unsatisfactory Services Reported within first four (4) hours:

If an Identified User has not requested résumés or asked for interviews and the services are reported as being unsatisfactory within the first four (4) hours, then the identified User will not be charged.

Pursuant to the Department of Public Works and Government Services Act, S.C. 1996, c. 16, the clauses and conditions identified by number, date and title in the Contract are incorporated by reference and form part of the Contract as though expressly set out in the Contract.

2015B 03 (PILOT PROGRAM) Powers of the Authorized User

All rights, remedies, powers and discretions granted or acquired by the Authorized User under the Contract or by law are cumulative, not exclusive.

2015B 04 (PILOT PROGRAM) Status of the Contractor

The Contractor is an independent contractor engaged by the Authorized User to perform the Work. Nothing in the Contract is intended to create a partnership, a joint venture or an agency between the Authorized User and the other Party or Parties. The Contractor must not represent itself as an agent or representative of the Authorized User to anyone. Neither the Contractor nor any of its personnel is engaged as an employee or agent of the Authorized User. The Contractor is responsible for all deductions and remittances required by law in relation to its employees.

2015B 05 (PILOT PROGRAM) Conduct of the Work

1. The Contractor represents and warrants that:
 - a. it is competent to perform the Work;

b. it has everything necessary to perform the Work, including the resources, facilities, labour, technology, equipment, and materials; and

c. it has the necessary qualifications, including knowledge, skill, know-how and experience, and the ability to use them effectively to perform the Work.

2. The Contractor must:

a. perform the Work diligently and efficiently;

b. except for Government Property, supply everything necessary to perform the Work;

c. use, as a minimum, quality assurance procedures, inspections and controls generally used and recognized by the industry to ensure the degree of quality required by the Contract;

f. provide effective and efficient supervision to ensure that the quality of workmanship meets the requirements of the Contract.

3. The Work must not be performed by any person who, in the opinion of the Authorized User, is incompetent, unsuitable or has conducted himself/herself improperly.

2015B 06 (PILOT PROGRAM) Subcontracts

1. The Contractor may subcontract the supply of goods or services that are customarily subcontracted by the Contractor. In any other instance, the Contractor must obtain the prior consent in writing of the Contracting Authority. The Contracting Authority may require the Contractor to provide such particulars of the proposed subcontract as he considers necessary.

2. Subcontracting does not relieve the Contractor from any of its obligations under the Contract or impose any liability upon the Authorized User to a subcontractor.

3. In any subcontract, the Contractor agrees to bind the subcontractor by the same conditions by which the Contractor is bound under the Contract, unless the Contracting Authority requires or agrees otherwise, with the exception of requirements under the Federal Contractors Program for employment equity which only apply to the Contractor for procurements involving Federal Identified Users.

2015B 07 (PILOT PROGRAM) Time of the essence

It is essential that the Work be performed within or at the time stated in the Contract.

2015B 08 (PILOT PROGRAM) Excusable delay

1. A delay in the performance by the Contractor of any obligation under the Contract that is caused by an event that:

a. is beyond the reasonable control of the Contractor;

b. could not reasonably have been foreseen;

c. could not reasonably have been prevented by means reasonably available to the Contractor; and

d. occurred without the fault or neglect of the Contractor, will be considered an "Excusable Delay" if the Contractor advises the Contracting Authority of the occurrence of the delay or of the likelihood of the delay as soon as the Contractor becomes aware of it. The Contractor must also advise the Contracting Authority, within 15 working days, of all the circumstances relating to the delay and provide to the Contracting Authority for approval a clear work around plan explaining in detail the steps that the Contractor proposes to take in order to minimize the impact of the event causing the delay.

2. Any delivery date or other date that is directly affected by an Excusable Delay will be postponed for a reasonable time that will not exceed the duration of the Excusable Delay.

3. However, if an Excusable Delay has continued for 30 days or more, the Contracting Authority may, by giving notice in writing to the Contractor, terminate the Contract. In such a case, the Parties agree that neither will make any claim against the other for damages, costs, expected profits or any other loss arising out of the termination or the event that contributed to the Excusable Delay. The Contractor agrees to repay immediately to the Authorized User the portion of any advance payment that is unliquidated at the date of the termination.

4. Unless the Authorized User has caused the delay by failing to meet an obligation under the Contract, the Authorized User will not be responsible for any costs incurred by the Contractor or any of its subcontractors or agents as a result of an Excusable Delay.

2015B 09 (PILOT PROGRAM) Inspection and acceptance of the Work

All the Work is subject to inspection and acceptance by the Authorized User. Inspection and acceptance of the Work by the Authorized User do not relieve the Contractor of its responsibility for defects or other failures to meet the requirements of the Contract. The Authorized User will have the right to reject any work that is not in accordance with the requirements of the Contract and require its correction or replacement at the Contractor's expense.

2015B 10 (PILOT PROGRAM) Invoice submission

1. Invoices must be submitted in the Contractor's name. The Contractor must submit invoices for each delivery or shipment; invoices must only apply to the Contract. Each invoice must indicate whether it covers partial or final delivery.

- e. if applicable, the method of shipment together with date, case numbers and part or reference numbers, shipment charges and any other additional charges.

3. Applicable Taxes must be specified on all invoices as a separate item along with corresponding registration numbers from the tax authorities. All items that are zero-rated, exempt or to which Applicable Taxes do not apply, must be identified as such on all invoices.

4. By submitting an invoice, the Contractor certifies that the invoice is consistent with the Work delivered and is in accordance with the Contract.

2015B 11 (PILOT PROGRAM) Taxes

1. Federal government departments and agencies are required to pay Applicable Taxes.

2. Applicable Taxes will be paid by the Authorized User as provided in the Invoice Submission section. It is the sole responsibility of the Contractor to charge Applicable Taxes at the correct rate in accordance with applicable legislation. The Contractor agrees to remit to appropriate tax authorities any amounts of Applicable Taxes paid or due.

3. The Contractor is not entitled to use the Authorized User's exemptions from any tax, such as provincial sales taxes, unless otherwise specified by law. The Contractor must pay applicable provincial sales tax, ancillary taxes, and any commodity tax, on taxable goods or services used or consumed in the performance of the Contract (in accordance with applicable legislation), including for material incorporated into real property.

4. In those cases where Applicable Taxes, customs duties, and excise taxes are included in the Contract Price, the Contract Price will be adjusted to reflect any increase, or decrease, of Applicable Taxes, customs duties, and excise taxes that will have occurred between bid submission and contract award. However, there will be no adjustment for any change to increase the Contract Price if public notice of the change was given before bid submission date in sufficient detail to have permitted the Contractor to calculate the effect of the change.

5. Tax Withholding of 15 Percent – Canada Revenue Agency

Pursuant to the Income Tax Act, 1985, c. 1 (5th Supp.) and the Income Tax Regulations, the Authorized User must withhold 15 percent of the amount to be paid to the Contractor in respect of services provided in Canada if the Contractor is not a resident of Canada, unless the Contractor obtains a valid waiver from the Canada Revenue Agency. The amount withheld will be held on account for the Contractor in respect to any tax liability which may be owed to Canada.

2015B 12 (PILOT PROGRAM) Transportation costs

If transportation costs are payable by the Authorized User under the Contract and the Contractor makes the transportation arrangements, shipments must be made by the most direct and economical means consistent with normal shipping practice. The costs must be shown as a separate item on the invoice.

2015B 13 (PILOT PROGRAM) Transportation carriers' liability

The Federal Identified User's policy of underwriting its own risks precludes payment of insurance or valuation charges for transportation beyond the point at which ownership of goods passes to the federal government (determined by the FOB point or Incoterms). Where increased carrier liability is available without charge, the Contractor must obtain the increased liability for shipment. Provincial or Territorial Identified Users will specify the insurance requirement at the time before contract award.

2015B 14 (PILOT PROGRAM) Payment period

1. The Authorized User's standard payment period is 30 days. The payment period is measured from the date an invoice in acceptable form and content is received in accordance with the Contract or the date the Work is delivered in acceptable condition as required in the Contract, whichever is later. A payment is considered overdue on the 31st day following that date and interest will be paid automatically in accordance with the section 15.

2. If the content of the invoice and its substantiating documentation are not in accordance with the Contract or the Work is not in acceptable condition, the Authorized User will notify the Contractor within 15 days of receipt. The 30-day payment period begins upon receipt of the revised invoice or the replacement or corrected Work. Failure by the Authorized User to notify the Contractor within 15 days will only result in the date specified in subsection 1 to apply for the sole purpose of calculating interest on overdue accounts.

2015B 15 (PILOT PROGRAM) Interest on overdue accounts

1. For the purpose of this section:

"Average Rate"

means the simple arithmetic mean of the Bank Rates in effect at 4:00 p.m. Eastern Time each day during the calendar month immediately before the calendar month in which payment is made;

"Bank Rate"

means the rate of interest established from time to time by the Bank of Canada as the minimum rate at which the Bank of Canada makes short term advances to members of the Canadian Payments Association (Payments Canada);

"date of payment"

means, for Federal Identified Users, the date of the negotiable instrument drawn by the Receiver General for Canada to pay any amount under the Contract;

means, for a Provincial or Territorial Identified User, the date of the negotiable instrument drawn by the appropriate authorities of the province or territory to pay any amount under the Contract;

an amount becomes "overdue"

when it is unpaid on the first day following the day on which it is due and payable according to the Contract.

2. The Authorized User will pay to the Contractor simple interest at the Average Rate plus 3 percent per year on any amount that is overdue, from the date that amount becomes overdue until the day before the date of payment, inclusive. The Contractor is not required to provide notice to the Authorized User for interest to be payable.

3. The Authorized User will pay interest in accordance with this section only if the Authorized User is responsible for the delay in paying the Contractor. The Authorized User will not pay interest on overdue advance payments.

2015B 16 (PILOT PROGRAM) Audit

The amount claimed under the Contract is subject to government audit both before and after payment is made. The Contractor must keep proper accounts and records of the cost of performing the Work and keep all documents relating to such cost for six years after it receives the final payment under the Contract.

2015B 17 (PILOT PROGRAM) Compliance with applicable laws

1. The Contractor must comply with all laws applicable to the performance of the Contract. The Contractor must provide evidence of compliance with such laws to the Authorized User at such times as the Authorized User may reasonably request.

2. The Contractor must obtain and maintain at its own cost all permits, licenses, regulatory approvals and certificates required to perform the Work. If requested by the Contracting Authority, the Contractor must provide a copy of any required permit, license, regulatory approvals or certificate to the Authorized User.

2015B 18 (PILOT PROGRAM) Confidentiality

1. The Contractor must keep confidential all information provided to the Contractor by or on behalf of the Authorized User in connection with the Work and all information conceived, developed or produced by the Contractor as part of the Work. Information provided to the Contractor by or on behalf of the Authorized User must be used solely for the purpose of the Contract and remains the property of the Authorized User.

2. Subject to the Access to Information Act, R.S.C. 1985, c. A-1, and to any right of Canada under the Contract to release or disclose, Canada agrees not to release or disclose outside the Government of Canada any information delivered to Canada under the Contract that is proprietary to the Contractor or a subcontractor.

Subject to Provincial or Territorial Identified User's access to information and privacy legislation and policy, and to any right of the Provincial or Territorial Identified User under the Contract to release or disclose, the Provincial or Territorial Identified User must not release or disclose outside the organization any information delivered to the Provincial or Territorial Identified User under the Contract that is proprietary to the Contractor or a subcontractor.

3. The obligations of the Parties set out in this section do not apply to any information where the same information:

a. is publicly available from a source other than the other Party; or

b. is or becomes known to a Party from a source other than the other Party, except any source that is known to be under an obligation to the other Party not to disclose the information, or

c. is developed by a Party without use of the information of the other Party.

2015B 19 (PILOT PROGRAM) Copyright

1. Anything that is created or developed by the Contractor as part of the Work under the Contract in which copyright subsists belongs to Canada. The Contractor must incorporate the copyright symbol and either of the following notices, as appropriate: © Her Majesty the Queen in right of Canada (year) or © Sa Majesté la Reine du chef du Canada (année).

2. At the request of the Contracting Authority, the Contractor must provide to the Authorized User, at the completion of the Work or at such other time as the Contracting Authority may require, a written permanent waiver of moral rights as defined in the Copyright Act, R.S., 1985, c. C-42, in a form acceptable to the Contracting Authority, from every author that contributed to the Work. If the Contractor is an author, the Contractor permanently waives the Contractor's moral rights.

2015B 20 (PILOT PROGRAM) Authorized User Property

The Contractor must take reasonable and proper care of all Authorized User Property while it is in its possession or subject to its control. The Contractor is responsible for any loss or damage resulting from its failure to do so other than loss or damage caused by ordinary wear and tear.

2015B (PILOT PROGRAM) 21 Amendment

To be effective, any amendment to the Contract must be done in writing by the Contracting Authority and the authorized representative of the Contractor.

2015B (PILOT PROGRAM) 22 Assignment

1. The Contractor must not assign the Contract without first obtaining the written consent of the Contracting Authority. Any assignment made without that consent is void and will have no effect. The assignment will be effective upon execution of an assignment agreement signed by the Parties and the assignee.

2. Assignment of the Contract does not relieve the Contractor from any obligation under the Contract and it does not impose any liability upon the Authorized User.

2015B (PILOT PROGRAM) 23 Suspension of the Work

The Contracting Authority may at any time, by written notice, order the Contractor to suspend or stop the Work or part of the Work under the Contract. The Contractor must immediately comply with any such order in a way that minimizes the cost of doing so.

2015B (PILOT PROGRAM) 24 Default by the Contractor

1. If the Contractor is in default in carrying out any of its obligations under the Contract, the Contracting Authority may, by giving written notice to the Contractor, terminate for default the Contract or part of the Contract. The termination will take effect immediately or at the expiration of a cure period specified in the

notice, if the Contractor has not cured the default to the satisfaction of the Contracting Authority within that cure period.

2. If the Contractor becomes bankrupt or insolvent, makes an assignment for the benefit of creditors, or takes the benefit of any statute relating to bankrupt or insolvent debtors, or if a receiver is appointed under a debt instrument or a receiving order is made against the Contractor, or an order is made or a resolution passed for the winding-up of the Contractor, the Contracting Authority may, to the extent permitted by the laws of Canada, by giving written notice to the Contractor, immediately terminate for default the Contract or part of the Contract.

3. If the Authorized User gives notice under subsection 1 or 2, the Contractor will have no claim for further payment except as provided in this section. The Contractor will be liable to the Authorized User for all losses and damages suffered by the Authorized User because of the default or occurrence upon which the notice was based, including any increase in the cost incurred by the Authorized User in procuring the Work from another source. The Contractor agrees to repay immediately to the Authorized User the portion of any advance payment that is unliquidated at the date of the termination.

2015B (PILOT PROGRAM) 25 Termination for convenience

1. At any time before the completion of the Work, the Contracting Authority may, by giving notice in writing to the Contractor, terminate for convenience the Contract or part of the Contract. Once such a notice of termination for convenience is given, the Contractor must comply with the requirements of the termination notice. If the Contract is terminated in part only, the Contractor must proceed to complete any part of the Work that is not affected by the termination notice. The termination will take effect immediately or, as the case may be, at the time specified in the termination notice.

2. If a termination notice is given pursuant to subsection 1, the Contractor will be entitled to be paid, for costs that have been reasonably and properly incurred to perform the Contract to the extent that the Contractor has not already been paid or reimbursed by the Authorized User. The Contractor agrees that it will only be paid the following amounts:

a. on the basis of the Contract Price, for any part of the Work completed that is inspected and accepted in accordance with the Contract, whether completed before, or after the termination in accordance with the instructions contained in the termination notice;

b. the Cost incurred by the Contractor plus a fair and reasonable profit thereon as determined by the Authorized User in accordance with the profit provisions found in PWGSC Supply Manual section 10.65 Calculation of profit on negotiated contracts, for any part of the Work commenced, but not completed, prior to the date of the termination notice. The Contractor agrees that it is not entitled to any anticipated profit on any part of the Contract terminated; and

c. all costs incidental to the termination of the Work incurred by the Contractor but not including the cost of severance payments or damages to employees whose services are no longer required, except wages that the Contractor is obligated by statute to pay.

3. The Authorized User may reduce the payment in respect of any part of the Work, if upon inspection, it does not meet the requirements of the Contract.

4. The total of the amounts, to which the Contractor is entitled to be paid under this section, together with any amounts paid, due or becoming due to the Contractor must not exceed the Contract Price. The

Contractor will have no claim for damages, compensation, loss of profit, allowance arising out of any termination notice given by the Authorized User under this section except to the extent that this section expressly provides. The Contractor agrees to repay immediately to the Authorized User the portion of any advance payment that is unliquidated at the date of the termination.

2015B 26 (PILOT PROGRAM) Right of set-off

Without restricting any right of set-off given by law, the Authorized User may set-off against any amount payable to the Contractor under the Contract, any amount payable to the Authorized User by the Contractor under the Contract or under any other current contract. The Authorized User may, when making a payment pursuant to the Contract, deduct from the amount payable to the Contractor any such amount payable to the Authorized User by the Contractor which, by virtue of the right of set-off, may be retained by the Authorized User.

2015B 27 ((PILOT PROGRAM)) Conflict of Interest and Values and Ethics Codes for the Public Service

Federal Identified Users: The Contractor acknowledges that individuals who are subject to the provisions of the Conflict of interest Act, 2006, c. 9, s. 2, the Conflict of interest Code for Members of the House of Commons, the Values and Ethics Code for the Public Service or all other codes of values and ethics applicable within specific organizations cannot derive any direct benefit resulting from the Contract.

2015B 28 (PILOT PROGRAM) No bribe or conflict

1. The Contractor declares that no bribe, gift, benefit, or other inducement has been or will be paid, given, promised or offered directly or indirectly to any official or employee of the Authorized User or to a member of the family of such a person, with a view to influencing the entry into the Contract or the administration of the Contract.
2. The Contractor must not influence, seek to influence or otherwise take part in a decision of the Authorized User knowing that the decision might further its private interest. The Contractor must have no financial interest in the business of a third party that causes or would appear to cause a conflict of interest in connection with the performance of its obligations under the Contract. If such a financial interest is acquired during the period of the Contract, the Contractor must immediately declare it to the Contracting Authority.
3. The Contractor warrants that, to the best of its knowledge after making diligent inquiry, no conflict exists or is likely to arise in the performance of the Contract. In the event the Contractor becomes aware of any matter that causes or is likely to cause a conflict in relation to the Contractor's performance under the Contract, the Contractor must immediately disclose such matter to the Contracting Authority in writing.
4. If the Contracting Authority is of the opinion that a conflict exists as a result of the Contractor's disclosure or as a result of any other information brought to the Contracting Authority's attention, the Contracting Authority may require the Contractor to take steps to resolve or otherwise deal with the conflict or, at its entire discretion, terminate the Contract for default. Conflict means any matter, circumstance, interest, or activity affecting the Contractor, its personnel or subcontractors, which may or may appear to impair the ability of the Contractor to perform the Work diligently and independently.

2015B 29 (PILOT PROGRAM) Contingency fees

The Contractor certifies that it has not, directly or indirectly, paid or agreed to pay and agrees that it will not, directly or indirectly, pay a contingency fee for the solicitation, negotiation or obtaining of the Contract to any person, other than an employee of the Contractor acting in the normal course of the employee's duties. In this section, "contingency fee" means any payment or other compensation that depends or is calculated based on a degree of success in soliciting, negotiating or obtaining the Contract and "person" includes any individual who is required to file a return with the registrar pursuant to section 5 of the Lobbying Act, 1985, c. 44 (4th Supplement). Where Provincial or Territorial Identified Users have their own lobbying acts, those shall apply.

2015B 30 (PILOT PROGRAM) International sanctions

1. Persons in Canada, and Canadians outside of Canada, are bound by economic sanctions imposed by Canada. As a result, the Authorized User cannot accept delivery of goods or services that originate, either directly or indirectly, from the countries or persons subject to economic sanctions.
2. The Contractor must not supply to the Government of Canada any goods or services which are subject to economic sanctions.
3. The Contractor must comply with changes to the regulations imposed during the period of the Contract. The Contractor must immediately advise the Authorized User if it is unable to perform the Work as a result of the imposition of economic sanctions against a country or person or the addition of a good or service to the list of sanctioned goods or services. If the Parties cannot agree on a work around plan, the Contract will be terminated for the convenience of the Authorized User in accordance with section 25.

2015B 31 (PILOT PROGRAM) Integrity provisions—contract

For Federal Identified users, the Ineligibility and Suspension Policy (the "Policy") and all related Directives incorporated by reference into the bid solicitation on its closing date are incorporated into, and form a binding part of, the Contract. The Contractor must comply with the provisions of the Policy and Directives, which can be found on Public Works and Government Services Canada's website at Ineligibility and Suspension Policy.

2015B 32 (PILOT PROGRAM) Harassment in the workplace

1. The Contractor acknowledges the responsibility of the Authorized User to ensure, for its employees, a healthy work environment, free of harassment.
