A49. The mode of transportation for the Deployable Camp Infrastructure and Utilities Systems requirements has not yet been determined.

For additional information, please refer to the RFI Annex A: Camp Sustain Preliminary System Requirements, pages 4-5 of 17, High Level Mandatory Requirements (HLMRs), Transportability.

Any changes or developments to the Camp Sustain preliminary system requirements, procurement and ITB strategies will be identified through an amendment to the RFI.

Q50. Are the IOC and FOC dates identified in the Schedule on Slide #8 of the Initial Industry Day Presentation shared in Amendment #5 firm or will they be adjusted accordingly?

A50. The activities and approximate dates in the Schedule identified in Slide #8 of the Initial Industry Day Presentation shared in Amendment #5 are tentative and will be changed accordingly through a written amendment to the RFI.

Q51. Will the Camp Sustain RFI and any resulting solicitation (e.g. RFP) be posted on CanadaBuys?

A51. Please visit the CanadaBuys website for information on how to do business with the Government of Canada; how to find tender opportunities; and the transition to online bidding from Buyandsell. In the meantime, the CS RFI is posted on Buyandsell until further notice.

Q52. Will PSPC provide a list of all interested suppliers, including those that participated in the CS Industry Day and/or One-on-one sessions?

A52. A list of interested suppliers to the CS RFI and industry engagement activities will not be provided. Instead, suppliers and interested firms are highly encouraged to register to the List of Interested Suppliers Registry. For more information, please refer to Amendment #4, Question and Answer – Series II, A8. A list of interested suppliers to Camp Sustain is available on the RFI Tender Notice on Buyandsell.
