AMENDMENT No. 001

Amendment 001 of Solicitation # **5000063228** is raised to answer questions from Suppliers.

QUESTIONS (Q) AND ANSWERS (A)

- Q1. Concerning the aluminum helipad that is to be placed on the right bank of the river,
- Where is it currently located?
 - Can it be dismantled for transport?
 - How much does the helipad weigh?
- A1. The aluminum helipad will be available for pick-up in Richmond, British Columbia, with the other materials and components. The address will be provided upon the contract award. The helipad is already packed using the most efficient method. Therefore, there is no reason to dismantle it. The helipad has the dimensions of 18 ft x 3 ft x 18" and weighs about 850 lbs.

Please see below the photo of the aluminum helipad that has been pre-packed for transport.

All other terms and conditions of the Bid Solicitation remain the same.
