

## Fire Protection Services Inspections on Granville Island (Pricing Table 5)

### Public Market (PM) - Building #2 (Includes Popina - Building #1)

Fire Alarm System (inspection, testing, and re-certification)	Additional Details	Unit Price (Year 1-5)	Units	Annual Service	Annual Price
Control Panel (Mircom 1000 two-stage, multi-zoned) c/w			1	2	\$0.00
Remote Annunciator			1	2	\$0.00
Pull Stations (Manual)			19	2	\$0.00
Heat Detector (rate-of-rise/fixed temperature)			2	2	\$0.00
Heat Detector (fixed temperature)			3	2	\$0.00
End Of Line Resistors			3	2	\$0.00
Water Flow Alarm Switches			4	2	\$0.00
Sprinkler Supervisory Device			10	2	\$0.00
Smoke Detectors			25	2	\$0.00
Horn Strobes / Bells / Gongs			17	2	\$0.00
Beam Smoke Detector			1	2	\$0.00
<b>Automatic DRY Fire Sprinkler System (inspection, testing, and re-certification)</b>					
Tyco Model DPV-1 6" dry pipe valve systems (Centre)	Completed after hours from 19:00 - 7:00		1	2	\$0.00
Astra Model A 4" dry pipe valve system (East)	Completed after hours from 19:00 - 7:00		1	2	\$0.00
Reliable Model D 6" dry pipe valve system (West)	Completed after hours from 19:00 - 7:00		1	2	\$0.00
Automatic air compressors	Completed after hours from 19:00 - 7:00		2	2	\$0.00
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
Wet Alarm 1.5" Wet Pipe Valve System - Popina			1	2	\$0.00
<b>Backflow Preventer (inspection, testing, and re-certification)</b>					
Double check valve assembly - Popina Premise Isolation	Work to be performed by a qualified, licensed technician and the certificates will be submitted to the City of Vancouver. Service is expected in the Spring.		1	1	\$0.00
Double check valve assembly - Popina Fire Suppression	Work to be performed by a qualified, licensed technician and the certificates will be submitted to the City of Vancouver. Service is expected in the Spring.		1	1	\$0.00
<b>Kitchen Suppression Systems (inspection, testing, and re-certification)</b>					
Monitored systems - a variety of dry chemical suppression, primarily Range Guard, Kidde, and Pyro Chem - Includes Popina	Completed after hours from 19:00 - 7:00. A report must be submitted and approved by CMHC prior to any repair and/or replacement work (excluding nozzles, seals, test cartridges)		16	2	\$0.00
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		22	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
15 lb CO2			1	1	\$0.00
10 lb ABC multi-purpose dry chemical			14	1	\$0.00
5 lb ABC multi-purpose dry chemical			11	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Revue Stage - Building #6

Fire Alarm System (inspection, testing, and re-certification)	Additional Details	Unit Price (Year 1-5)	Units	Annual Service	Annual Price
Control Panel (Edwards 2280 single-stage)			1	2	\$0.00
Remote Annunciator			1	2	\$0.00
Pull Stations (Manual)			4	2	\$0.00
Smoke Detectors			1	2	\$0.00
Alarm Bells			5	2	\$0.00
End Of Line Resistors			4	2	\$0.00
Water Flow Alarm Switches			1	2	\$0.00
Sprinkler Supervisory Device			1	2	\$0.00
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
Grinnell, Model (F200) 4" wet pipe valve system			1	2	\$0.00
Excess pressure pump			1	2	\$0.00
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		6	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
15 lb CO2			1	1	\$0.00
10 lb ABC multi-purpose dry chemical			1	1	\$0.00
5 lb ABC multi-purpose dry chemical			9	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Arts & Innovation Hub - Building #19

Fire Alarm System (inspection, testing, and re-certification)	Additional Details	Unit Price (Year 1-5)	Units	Annual Frequency	Annual Price
Simplex 41010 fire alarm control panel, c/w			1	2	\$0.00
Remote Annunciator			2	2	\$0.00
Pull Stations (Manual)			45	2	\$0.00
Heat Detector, Restorable			34	2	\$0.00
Alarm Bells			48	2	\$0.00
Smoke detectors			33	2	\$0.00
Visual Signal Appliance			5	2	\$0.00
End Of Line Resistors			2	2	\$0.00

Tamper Switches			13	2	\$0.00
Water Flow Alarm Switches			10	2	\$0.00
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
Wet Alarm 6" Viking Wet Pipe Valve System			1	2	\$0.00
<b>Automatic DRY Fire Sprinkler System (inspection, testing, and re-certification)</b>					
GEM Model D 6" dry pipe valve system			1	2	\$0.00
Firelock 2' dry pipe valve			1	2	\$0.00
Quick-opening devices			1	2	\$0.00
Automatic air compressor			2	2	\$0.00
<b>Pre-Action / Deluge Valve Suppression System (inspection, testing, and re-certification)</b>					
Viking 4" Deluge Valve			1	2	\$0.00
<b>Emergency Light Units(inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		50	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
10 lb ABC multi-purpose dry chemical			83	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Building #27

Additional Details	Price (Year)	Units	Annual Frequency	Annual Price	
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
Rasco, Model E 4" wet pipe alarm valve system		1	2	\$0.00	
Excess pressure pump		1	2	\$0.00	
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units	8	2	\$0.00	
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5lb & 10 lb ABC multi-purpose dry chemical		14	1	\$0.00	
<b>Total Annual Price</b>					<b>\$0.00</b>

### Parkade & Arts Umbrella - Building #31

The Parkade is tied to Arts Umbrella, Building 29, and Building 34. There are no firewalls between the spaces.

Additional Details	Price (Year)	Units	Annual Frequency	Annual Price	
<b>Fire Alarm System (inspection, testing, and re-certification)</b>					
Simplex 4100ES fire alarm control panel, c/w		1	2	\$0.00	
Pull Stations (Manual)		28	2	\$0.00	
Horn Strobes / Bells / Gongs		33	2	\$0.00	
Smoke detectors		50	2	\$0.00	
Heat Detector, Restorable		17	2	\$0.00	
Visual Signal Appliance (Boiler Room)		20	2	\$0.00	
End Of Line Resistors		3	2	\$0.00	
Tamper Switches		18	2	\$0.00	
Water Flow Alarm Switches		13	2	\$0.00	
<b>Automatic DRY Fire Sprinkler System (inspection, testing, and re-certification)</b>					
GEM Model D 6" dry pipe valve system		1	2	\$0.00	
GEM 4" dry pipe valve system		1	2	\$0.00	
Tycco 4" dry pipe valve system		1	1	\$0.00	
CSC 6" dry pipe valve system		1	2	\$0.00	
Quick-opening devices		4	2	\$0.00	
Automatic air compressor		1	2	\$0.00	
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
GEM 4" wet pipe valve system - Arts Umbrella		1	2	\$0.00	
<b>Backflow Preventer (inspection, testing, and re-certification)</b>					
Double check valve assembly	Work to be performed by a qualified, licensed technician and the certificates will be submitted to the City of Vancouver. Service is expected in the Spring.	1	1	\$0.00	
<b>Emergency Light Units(inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units	18	2	\$0.00	
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
10 lb ABC multi-purpose dry chemical		45	1	\$0.00	
<b>Total Annual Price</b>					<b>\$0.00</b>

### Vacant Space and Vancouver Studio Glass - Building #29

Additional Details	Price (Year)	Units	Annual Frequency	Annual Price	
<b>Fire Alarm System (inspection, testing, and re-certification)</b>					
Pull Stations (Manual)		2	2	\$0.00	
Fixed temp heat detectors		5	2	\$0.00	
Fire alarm gongs		2	2	\$0.00	
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units	2	2	\$0.00	
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lb ABC multi-purpose dry chemical		2	1	\$0.00	
<b>Total Annual Price</b>					<b>\$0.00</b>

### Railspur Studios - Building #33

Fire Alarm System (inspection, testing, and re-certification)	Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Control Panel (Edwards 6632 4000) c/w			1	2	\$0.00
Remote Annunciator			1	2	\$0.00
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
DF, 3" Wet Pipe Valve System			1	2	\$0.00
Pull Stations (Manual)			18	2	\$0.00
Horn Strobes / Bells / Gongs			16	2	\$0.00
Heat Detector (rate-of-rise/fixed temperature)			4	2	\$0.00
Smoke Detector			1	2	\$0.00
End Of Line Resistors			21	2	\$0.00
Tamper Switches			4	2	\$0.00
Water Flow Alarm Switches			3	2	\$0.00
<b>Backflow Preventer (inspection, testing, and re-certification)</b>					
Double check valve assembly	Located in Water Entry Room. Work to be performed by a qualified, licensed technician and the certificates will be submitted to the City of Vancouver. Service is expected in the Spring.		1	1	\$0.00
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		15	2	\$0.00
<b>Kitchen Suppression Systems (inspection, testing, and re-certification)</b>					
Monitored system - located at <b>Off the Tracks Cafe</b>	A report must be submitted and approved by CMHC prior to any repair and/or replacement work (excluding nozzles, seals, test cartridges)		1	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5lb CO2 & 5lb ABC & 6l K-CLASS & 10lb ABC			22	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### GI Broom Co. and Wendel Jewelry & Design - Building #34

Fire Alarm System (inspection, testing, and re-certification)	Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Mircom FX-1000 fire alarm panel, c/w remote panel			1	2	\$0.00
Remote Annunciator			1	2	\$0.00
Pull Stations (Manual)			5	2	\$0.00
Horn Strobes / Bells / Gongs			2	2	\$0.00
Smoke detectors			2	2	\$0.00
End Of Line Resistors			3	2	\$0.00
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		2	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lb ABC multi-purpose dry chemical			2	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Building #35

Automatic DRY Fire Sprinkler System (inspection, testing, and re-certification)	Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Reliable Model D 6" dry pipe valve system			1	2	\$0.00
Automatic air compressor			1	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lb ABC multi-purpose dry chemical			4	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Building #36

Fire Alarm System (inspection, testing, and re-certification)	Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Simplex 4008 multi-zoned main fire alarm control panel, c/w			1	2	\$0.00
Remote Annunciator			1	2	\$0.00
Pull Stations (Manual)			12	2	\$0.00
Smoke detectors			3	2	\$0.00
Heat Detector, Restorable			1	2	\$0.00
Horn Strobes / Bells / Gongs			7	2	\$0.00
End Of Line Resistors			11	2	\$0.00
Tamper Switches			8	2	\$0.00
Water Flow Alarm Switches			2	2	\$0.00
<b>Automatic DRY Fire Sprinkler System (inspection, testing, and re-certification)</b>					
Tyco 4" dry pipe valve systems			1	2	\$0.00
Automatic air compressor			1	2	\$0.00
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
DF, Wet pipe alarm valve system			1	2	\$0.00
<b>Backflow Preventer (inspection, testing, and re-certification)</b>					
Double check valve assembly	Work to be performed by a qualified, licensed technician and the certificates will be submitted to the City of Vancouver. Service is expected in the Spring.		1	1	\$0.00
<b>Novac 1230 Gas Suppression System (inspection, testing, and re-certification)</b>					
Testing and Certification			1	2	\$0.00
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		22	2	\$0.00
<b>Kitchen Suppression Systems (inspection, testing, and re-certification)</b>					
Monitored system - located at <b>Alimentaria Mexicana</b>	A report must be submitted and approved by CMHC prior to any repair and/or replacement work (excluding nozzles, seals, test cartridges)		2	2	\$0.00

Portable Fire Extinguishers (inspection, testing, and re-certification)		Price (Year)	Units	Annual Frequency	Annual Price
5 lbs ABC multi-purpose dry chemical			12	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Building #38

Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Rasco Model E 4" wet pipe alarm valve system				1	2	\$0.00
Excess pressure pump				1	2	\$0.00
Emergency Light Units (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Battery Operated Units		Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		3	2	\$0.00
Portable Fire Extinguishers (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Portable Fire Extinguishers				14	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>	

### Net Loft (NL) - Building #40

Fire Alarm System (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
FA Model 1008KA alarm control panel c/w annunciator and 8 card reader				1	2	\$0.00
Remote annunciator				1	2	\$0.00
Pull Stations (Manual)				25	2	\$0.00
Horn Strobes / Bells / Gongs				10	2	\$0.00
Smoke detectors				4	2	\$0.00
Heat detectors (rate-of-rise / fixed temperature)				6	2	\$0.00
End-of-line devices				8	2	\$0.00
Automatic DRY Fire Sprinkler System (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Globe Model F 6" dry pipe valve system (East)				1	2	\$0.00
CSC Model K 6" dry pipe valve system (West)				1	2	\$0.00
Automatic air compressors				2	2	\$0.00
Waterflow alarm switches				2	2	\$0.00
Low air switches				2	2	\$0.00
Kitchen Suppression Systems (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Monitored systems - located at <b>Popina Cantina</b>		A report must be submitted and approved by CMHC prior to any repair and/or replacement work (excluding nozzles, seals, test cartridges)		1	2	\$0.00
Emergency Light Units (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Battery Operated Units		Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		16	2	\$0.00
Portable Fire Extinguishers (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
5 lbs ABC multi-purpose dry chemical				39	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>	

### Building #59 & #60

Fire Alarm System (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Mircom FX 2000 fire alarm control panel				1	2	\$0.00
Remote annunciator				1	2	\$0.00
Pull Stations (Manual)				13	2	\$0.00
Smoke detectors				2	2	\$0.00
Heat detectors (rate-of-rise / fixed temperature)				12	2	\$0.00
Tamper Switches				8	2	\$0.00
End-of-line devices				5	2	\$0.00
Flow switch				3	2	\$0.00
Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Direct, 4" wet pipe alarm valve system				1	2	\$0.00
Excess pressure pump				1	2	\$0.00
Automatic DRY Fire Sprinkler System (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Reliable Model D 6" dry pipe valve system				1	2	\$0.00
Star Model A 4" dry pipe valve system				1	2	\$0.00
Automatic air compressor				1	2	\$0.00
Backflow Preventer (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Hersey #2 double check valve assembly		Work to be performed by a qualified, licensed technician and the certificates will be submitted to the City of Vancouver. Service is expected in the Spring.		1	1	\$0.00
Emergency Light Units (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Battery Operated Units		Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		12	2	\$0.00
Portable Fire Extinguishers (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
10 lbs ABC multi-purpose dry chemical				21	1	\$0.00
5 lb ABC multi-purpose dry chemical				32	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>	

### Building #62

Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Astra. Model B 4" wet pipe alarm valve system				1	2	\$0.00
Excess pressure pump				1	2	\$0.00
Emergency Light Units (inspection, testing, and re-certification)		Additional Details	Price (Year)	Units	Annual Frequency	Annual Price
Battery Operated Units		Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		5	2	\$0.00

<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lbs ABC multi-purpose dry chemical			6	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Building #63

<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lbs ABC multi-purpose dry chemical			2	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Performance Works (PW) - Building #70

<b>Fire Alarm System (inspection, testing, and re-certification)</b>	<b>Additional Details</b>	<b>Price (Year)</b>	<b>Units</b>	<b>Annual Frequency</b>	<b>Annual Price</b>
Mirtone 7516 single-stage, multi-zoned main fire alarm control panel, c/w			1	2	\$0.00
Pull Stations (Manual)			17	2	\$0.00
Horn Strobes / Bells / Gongs			14	2	\$0.00
Smoke detectors			10	2	\$0.00
Tamper switches			3	2	\$0.00
Waterflow alarm switch			1	2	\$0.00
Low pressure switch			1	2	\$0.00
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
CSC 4" wet pipe alarm valve system			1	2	\$0.00
Excess pressure pump			1	2	\$0.00
<b>Backflow Preventer (inspection, testing, and re-certification)</b>					
Febco Model 805 Type YD (Double check valve assembly)	Work to be performed by a qualified, licensed technician and the certificates will be submitted to the City of Vancouver. Service is expected in the Spring.		1	1	\$0.00
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		7	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lbs ABC multi-purpose dry chemical			4	1	\$0.00
10lbs ABC multi-purpose dry chemical			3	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Building #72

<b>Fire Alarm System (inspection, testing, and re-certification)</b>	<b>Additional Details</b>	<b>Price (Year)</b>	<b>Units</b>	<b>Annual Frequency</b>	<b>Annual Price</b>
Simplex Model 4007ES single-stage, multi-zoned main fire alarm-control panel, c/w 100% devices			1	2	\$0.00
Remote annunciator			1	2	\$0.00
Pull Stations (Manual)			7	2	\$0.00
Horn Strobes / Bells / Gongs			9	2	\$0.00
Smoke detectors			9	2	\$0.00
Heat detectors (rate-of-rise / fixed temperature)			4	2	\$0.00
Tamper switches			3	2	\$0.00
Water flow alarm switches			1	2	\$0.00
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
CSC Model VDS64 4-wet pipe alarm valve system			1	2	\$0.00
Excess pressure pump			1	2	\$0.00
<b>Backflow Preventer (inspection, testing, and re-certification)</b>					
Watts - Model 709 - 4" (Double check valve assembly)	Work to be performed by a qualified, licensed technician and the certificates will be submitted to the City of Vancouver. Service is expected in the Spring.		1	1	\$0.00
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		8	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lb ABC multi-purpose dry chemical			7	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Forge and Form - Building #78

<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>	<b>Additional Details</b>	<b>Price (Year)</b>	<b>Units</b>	<b>Annual Frequency</b>	<b>Annual Price</b>
Direct, 1-1/2" Wet pipe valve system			1	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lb ABC multi-purpose dry chemical			1	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Crafthouse - Building #86

<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>	<b>Unit Price (Year)</b>	<b>Units</b>	<b>Annual Frequency</b>	<b>Annual Price</b>
Grinnell, Model (F200) 4" wet pipe valve system		1	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>				
5 lb ABC multi-purpose dry chemical		3	1	\$0.00
<b>Total Annual Price</b>				<b>\$0.00</b>

### Festival House (FH) Building #89

<b>Fire Alarm System (inspection, testing, and re-certification)</b>	<b>Additional Details</b>	<b>Price (Year)</b>	<b>Units</b>	<b>Annual Frequency</b>	<b>Annual Price</b>
--	---------------------------	---------------------	--------------	-------------------------	---------------------

Simplex Model 4005 single-stage, multi-zoned main fire alarm-control panel, c/w 100% devices			1	2	\$0.00
Remote annunciator			1	2	\$0.00
Pull Stations (Manual)			10	2	\$0.00
Horn Strobes / Bells / Gongs			13	2	\$0.00
Smoke detectors			15	2	\$0.00
Tamper switches			7	2	\$0.00
Water flow alarm switches			5	2	\$0.00
Duct detectors			2	2	\$0.00
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
Wet pipe alarm valve system			1	2	\$0.00
Automatic air compressor			1	2	\$0.00
<b>Backflow Preventer (inspection, testing, and re-certification)</b>					
3" double check valve assembly	Work to be performed by a qualified, licensed technician and the certificates will be submitted to the City of Vancouver. Service is expected in the Spring.		1	1	\$0.00
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		7	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lb ABC multi-purpose dry chemical			4	1	\$0.00
10 lb ABC multi-purpose dry chemical			6	1	\$0.00
<b>Total Annual Price</b>					<b>\$0.00</b>

### Building #90

Fire Alarm System (inspection, testing, and re-certification)	Additional Details	Price (Year)	Units	Annual Service	Quoted Price
Control Panel (Edwards 2280, multi-zoned) c/w			1	2	\$0.00
Pull Stations (Manual)			4	2	\$0.00
Heat Detector (rate-of-rise/fixed temperature)			6	2	\$0.00
Heat Detector (fixed temperature)			2	2	\$0.00
Water Flow Alarm Switches			1	2	\$0.00
Sprinkler Supervisory Device			1	2	\$0.00
Horn Strobes / Bells			1	2	\$0.00
<b>Automatic WET Fire Sprinkler System (inspection, testing, and re-certification)</b>					
Grinell Model A 4" wet pipe alarm valve system			1	2	\$0.00
<b>Emergency Light Units (inspection, testing, and re-certification)</b>					
Battery Operated Units	Testing includes, not limited to, batteries, bulbs, and certification of Emergency Light Units		1	2	\$0.00
<b>Portable Fire Extinguishers (inspection, testing, and re-certification)</b>					
5 lb ABC multi-purpose dry chemical			1	1	\$0.00
