

ANNEX G

Entity Identification

By Applying to this RFQ (Request For Qualification) process, you hereby acknowledge and understand that it won't be possible to change the entity you are applying with throughout the entire process, including while qualified and active in the MPCC's Investigator pool. You will have to keep using the entity that you applied with on the RFQ. The only instance that an entity could be changed is if the MPCC opens a new RFQ process, where you can then reapply under the new entity.
