## **Amendment 002**

This amendment is raised to answer questions from bidders.

### **A. Questions and Answers**

- Q1.** Given the small amount of mix with a specialty asphalt concrete, there could be a supply issue when the time comes to pave. Would an alternate of PG58-31 be acceptable?
- A1.** Alternate products will be considered for approval after award; proposed alternatives must meet the same performance requirements as outlined in the tender documents. Bidders should bid as per the specifications since there is no guarantee that an alternate will be approved.

**ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED.**
