

AMENDMENT 005

CSPS-RFP-22JP-0931/A

To all Bidders:

The purpose of this amendment is to give effect to the following:

Questions and Answers

Question # 29:

In regards to Annex D Security Requirements Check List, can you clarify what level of security clearance is required by vendors, and whether this clearance needs to be obtained for the duration of the contract, or if it will vary by Task Authorization?

Answer # 29:

Reliability Status is the level of security required which should be obtained for the duration of the contract.
