Solicitation Amendment 014 is raised to respond to the following questions from the Industry.

- Q1. Part 2 – Bidder Instructions: Item 2.5 Applicable Laws – As we are a UK based company, providing services in London, can we propose that the applicable law will be that of England?
- R1. Please refer to section 7.10 Applicable Laws of the RFP document.
- Q2. Appendix L – Insurance Requirements: These slightly differ from the insurances available in the UK market; are we ok to offer you the closest equivalent insurances available in the UK?
- R2. The Contractor is responsible for deciding if additional insurance coverage is necessary to fulfill its obligations under the Contract and to ensure compliance with any applicable law. Any additional insurance coverage is at the Contractor's expense, and for its own benefit and protection. Please refer to section 7.13 – Insurance Requirements of the RFP.
- Q3. We are required to provide a performance bond in the amount of £50,000; as our performance and services has been generally recognised to be of a high standard, we assume similar would be acceptable (and not the amounts listed under 7.15.1). i.e. if successful, we would continue to provide the current agreed bond that is in place.
- R3. The Contractor (successful bidder) must provide the financial security in the amount indicated in section 7.15.1 – Contract Financial Security.
- Q4. Is Canada open to negotiation of the Terms and Conditions?
- R4. Please refer to Section 11 (2007-11-30) Rights of Canada, of the 2003 (2020-05-28) Standard Instructions - Goods or Services - Competitive Requirements
