The amendment to the bid solicitation is to address the enquiries received:

Response(s) (R) to Question(s) (Q):

Q1. On April 28, 2022 Buyandsell shows there to be an amendment however, there is no physical attachment. Could the Crown please advise what change has been made?

R1. The Crown executed an administrative amendment to correct the Contracting Authorities email address on the Buy & Sell posting.

Q2. For mandatory criteria #1, it is requested that "The Bidder must demonstrate this requirement by describing two (2) contracts or projects, with at least one (1) of the two (2) contracts or projects having been completed for a Government of Canada client, within the past five (5) years, as of the date of Bid Closing." Would you be willing to accept projects completed for the provincial government?

R2. Yes, we would be willing to accept projects completed for the provincial government.

Q3. Can you define or give an example of the term "a Government of Canada client"?

R3. An example of a "Government of Canada client" is a federal government department (e.g., Environment and Climate Change Canada). We would also be willing to accept projects completed for the provincial government.

All other terms and conditions of the Bid Solicitation remain the same.
