Amendment number 001 to Request for Information (RFI) 24062-22076/A, which closes May 30, 2022 at 2:00 PM EDT, is raised to:

- 1) On page 1 of the Letter of Interest (Request for Information), extend the bid closing date to: 2022-06-06, at 2:00 pm EDT.
- 2) At page 9 of 48, **PART 4 – INDUSTRY DAYS AND ONE-ONE-ONE SESSIONS**, **DELETE** section **4.1 Invitation to Industry Days and One-on-One Sessions**, in its entirety

and **INSERT:**

#### **4.1 Invitation to Industry Days and One-on-One Sessions**

A virtual Industry Day is planned for May 26, 2022 from 12:30 to 3:30pm Eastern Daylight Time. The objective of the Industry Day is to review the scope of the requirement outlined in the RFI and to answer questions. It is recommended that suppliers who intend to submit a response to the RFI attend or send a representative.

Virtual One-on-One sessions are planned for the week of June 13, 2022. Registration, as well as the date, time, and login information, will be coordinated via e-mail with the Contracting Authority.

Suppliers must confirm their attendance at the Industry Day by submitting the invitation form detailed at Annex H, and a list of potential items they wish to discuss to the Contracting Authority no later than May 23<sup>rd</sup>, 2022.

The login information for the Industry Day will be provided through a MS Teams invitation sent to the email address provided to the Contracting Authority in the invitation form at Annex H.

Suppliers who do not attend will not be precluded from submitting a response to the RFI.

##### **4.1.1 Industry Day**

The Industry Day is intended to be an open forum. It will allow Canada representatives to present industry representatives with information about the procurement of marine fuels, including those that contain a synthetic hydrocarbon component. It will also provide a venue for industry representatives to ask questions and seek information required to gain a sound understanding of Canada's business needs.

Representatives from PSPC and TBS will lead Industry Day presentations and discussions on procurement requirements and technical requirements.

##### **4.1.2 One-on-One Sessions**

One-on-one sessions will take place, as required, the week of June 13, 2022 and will allow interested suppliers to present their companies, solutions, pose their questions, and raise their concerns.

##### **4.1.3 Additional One-on-One Sessions**

If required, additional one-on-one sessions will be offered later during the RFI to allow interested suppliers to refine their solutions and clarify additional information.

Attendance to the one-on-one sessions and additional one-on-one sessions are voluntary and suppliers can attend one or both sessions. While Canada does not plan to provide new information during one-on-one sessions, any new information discussed will be posted through an update to the RFI on Buy and Sell.

- 3) At **Annex H, DELETE: ANNEX H – INVITATION FORM FOR INDUSTRY DAY AND ONE-ON-ONE SESSIONS**, in its entirety and **INSERT: ANNEX H**, attached.

**All other terms and conditions of the Letter of Interest (Request for Information) remain unchanged.**

**ANNEX H – INVITATION FORM FOR INDUSTRY DAY AND ONE-ON-ONE SESSIONS**

Please fill out the invitation form in order to confirm your attendance to the Industry Day and the One-on-One sessions by checking or indicating your order of preference of date and time and the number of participants that will be attending the sessions.

Canada will make every effort to satisfy your preferred date and time, however should many suppliers request the same time, Canada will proceed on a first come, first served basis.
