**Amendment 003
Cleaning Services - JAG Bldg.
Prince Edward Island
ED060-222505/A**

THE FOLLOWING AMENDMENT TO THE TENDER DOCUMENTS IS EFFECTIVE IMMEDIATELY.
THE AMENDMENT SHALL FORM A PART OF THE CONTRACT DOCUMENTS.
All other terms and conditions remain the same.

This solicitation is hereby amended to provide the following questions and answers:

Question #1: The tender document states the population of the building is between 800-1000 people. Is this accurate or is it likely to be higher as it has seemed to be in previous years?

Answer #1: Historically, the highest occupancy of the building for any one shift was around 1000, but when factoring in multiple shifts in one day, the combined total has gotten as high as approximately 1300. With the influence of COVID and the shift to working from home, we don't anticipate going to those numbers again with the current configuration of the building. As a result, the 800 – 1000 estimate is a reasonable estimation of the buildings maximum occupancy.

Question #2: If currently reduced due to covid, is there a target date when the building is expected to return to full capacity?

Answer #2: There is no set target date at this time to return to full occupancy. It will be a phased approach, and we don't anticipate a full occupancy until at least the fall. Again, at this time, we don't know exactly how working from home will affect the building's maximum occupancy, but it is expected to significantly reduce the overall numbers of employees on site on any given day.

If your bid has already been forwarded and you wish to revise same, this revision should be sent either in a sealed envelope and mailed to the above address or by facsimile (902) 566-7514 and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope or on the facsimile transmission.
