This Solicitation Amendment No. Two (2) is raised to include the following addendum no. 2.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contracts documents.

All other terms and conditions remain the same.

Addendum No. 2.

### **1. EXTENSION OF TIME**

Notice is hereby given that the time for the reception of tenders previously due **May 31, 2022** is hereby extended to **14:00 hours, June 02, 2022.**

### **2. QUESTIONS AND ANSWERS**

Q1. Given the lack of access and clearance for a crane adjacent to the building, our company is requesting for permission to setup a crane on the outside of the Penitentiary and boom materials on the roof.

**A1. Crane usage from outside the institution has been approved, coordinate date/time with institution 48 hours prior as wheelchair access parking spots will be out-of-service to allow for PIDS traffic flow. See attached sketch for approved location of crane.**

Q2. Is there any flexibility on extending the working hours past 4PM? This would be for days that may require extra time to seal in the roofing system.

**A2. Work hours may be extended past 4PM by approval of the site.**

Q3. Will a dumpster be allowed to be setup and left each day against the building?

**A3. A dumpster is allowed in the fenced area beside building A1/B5 as per attached sketch. If a garbage chute is installed it must taken down at the end of each workday.**
