

AMENDMENT 001

This amendment 001 is issued for the following:

- 1) To post questions and answers;
 - 2) To change the delivery & installation date.
-

Q1. For chairs A1 & A2, will the client also accept a seat depth adjustment range of 18"-21"?

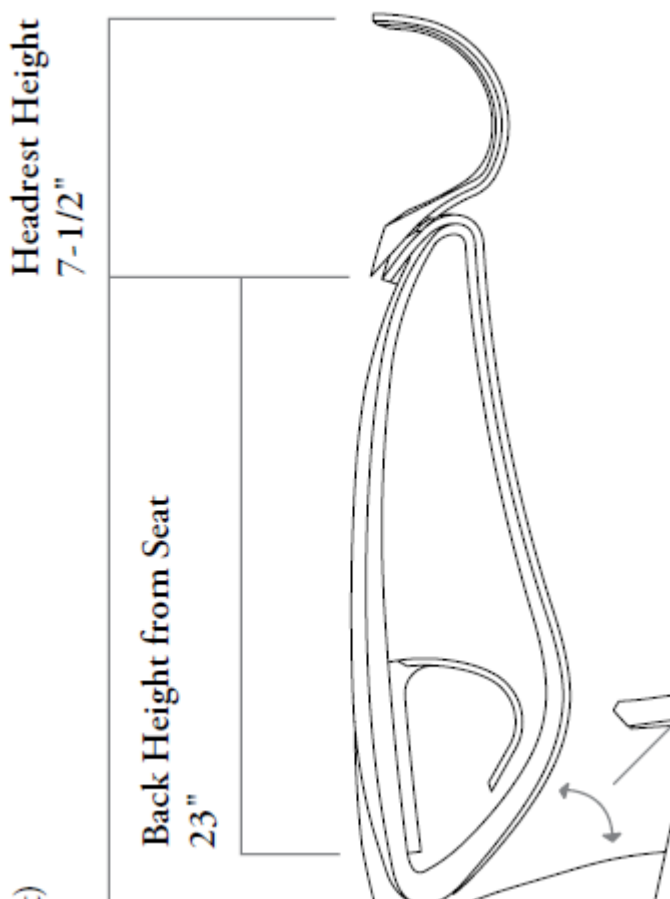

A1. No

Q2. For the Task chair (Table A1) would the client accept a back height of 24.25"?

A2. No, because the request height is 26"

Q3. Will a chair with an integrated headrest that provides continuous support be acceptable if it provides 30.5" back height (see diagram & image)?

A3. No headrest.

Q4. Can you revise the requirement to allow bidders to submit a bid on one chair instead of both? This may give you more options and allow bidders who can only offer one of the two chairs.

A4. No because we want 2 different models with one supplier
