Solicitation Amendment # 019

This amendment is hereby raised :

- 1. To update ITT section 2.7.3.**
- 2. To include Questions and the Responses for the solicitation.**

1. To update ITT section 2.3.

- Delete (in it's entirely):
- Insert (additions are shown in bold italics and deletions are struck through):

Section 2.3 Enquiries - Bid Solicitation

- All enquiries must be submitted in writing by email to the Contracting Authority (loubna.jeddi@tpsgc-pwgsc.gc.ca) no later than ~~ten (10) working days~~ before the bid closing date: ***June 10, 2022 17:00 Eastern Daylight Time (EDT)***. Enquiries received after that time will not be answered.
- Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by Bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a "proprietary " nature must be clearly marked "proprietary" at each relevant item. Items identified as proprietary will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that the Bidder do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered with copies to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.
- Any clarifications or changes to the bid solicitation resulting from the questions and answers will be included as an amendment to the bid solicitation.

2. To include Questions and the Responses for the solicitation.

Q#1: Based on the latest amendment (AMD 017)

Q#3: With the postponement of the closing date to July 7, what is the maximum date to ask our questions?

A#3: All enquiries must be submitted in writing by email to the Contracting Authority no later than June 10, 2022. Enquiries received after that time will not be answered.

We would request **an additional 3 weeks**, as we have quotations from 3rd party and subcontractors still asking us questions and clarifications.

A#1: Canada will not extend the Q&A period. The bidders have had the bid documents for 16 weeks and the time to submit questions has been already extended (AMD 10).
