#### **IMPORTANT NOTICE**

#### **TWO PHASE SELECTION PROCESS**

This is the first phase (Phase One) of a two-phase process: the first phase will evaluate the qualifications of all interested suppliers; the second phase (Phase Two) will invite the qualified suppliers to provide a financial bid on the project based on the specifications and drawings. The qualification list will expire within 60 days or upon award of a contract in Phase Two, whichever is earlier, and the prequalification list will not be used in any other solicitation.

#### **LIST OF QUALIFIED Suppliers:**

A list of qualified suppliers from Phase One will be released in Phase Two to all qualified suppliers at time of solicitation. Contract award notice of the successful bidder of Phase Two will be posted on [buyandsell.gc.ca](http://buyandsell.gc.ca)

## INSTRUCTIONS TO SUPPLIERS

### 1. TWO PHASE SELECTION PROCESS

Suppliers responding to this selection process are requested to submit in two phases. Phase One qualification covers only the qualifications and experience of the supplier. Following the evaluation of the submissions, suppliers will be advised of their qualification result and the status of the Phase Two tender. Phase Two suppliers will be provided an Invitation to Tender (ITT) for the financial evaluation in relation to the specifications and drawings.

Documents may be submitted in either official language of Canada.

### 2. ENQUIRIES:

All enquiries are to be submitted to the Contracting Authority:

Name: Alexandria Dwyer

Telephone: (709) 330-6330

Email: Alexandria.Dwyer@tpsgc-pwgsc.gc.ca

Enquiries are to be made in writing and should be received no less than five (5) working days prior to the closing date to allow sufficient time to respond.

### 3. SUBMISSION OF QUALIFICATIONS

Qualifications must be submitted only to the Public Works and Government Services Canada (PWGSC) Bid Receiving Unit specified below by the date and time indicated on page 1:

#### **PWGSC Newfoundland and Labrador Bid Receiving Unit**

Suppliers **MUST** submit qualifications electronically using the Canada Post Corporation's (CPC) Connect Service application for the subject bid solicitation. The supplier must send an email requesting to open a CPC Connect conversation to the following address:

[TPSGC.RAReceptionSoumissionsTNL-ARBidReceivingNL.PWGSC@tpsgc-pwgsc.gc.ca](mailto:TPSGC.RAReceptionSoumissionsTNL-ARBidReceivingNL.PWGSC@tpsgc-pwgsc.gc.ca)

**Note:** Submissions will not be accepted if emailed directly to this email address. This email address is to be used to open a CPC Connect conversation or to send bids through a CPC Connect message if the supplier is using its own licensing agreement for CPC Connect.

It is the supplier's responsibility to ensure the request for opening a CPC Connect conversation is sent to the email address above.

- a. To submit a bid using CPC Connect service, the Bidder must either:
  - i. send directly its bid only to the specified PWGSC Bid Receiving Unit, using its own licensing agreement for CPC Connect provided by Canada Post Corporation; or
  - ii. send as early as possible, and in any case, at least six business days prior to the solicitation closing date and time, (in order to ensure a response), an email that includes the bid solicitation number to the

specified PWGSC Bid Receiving Unit requesting to open a CPC Connect conversation. Requests to open a CPC Connect conversation received after that time may not be answered.

- b. If the Bidder sends an email requesting CPC Connect service to the specified Bid Receiving Unit in the bid solicitation, an officer of the Bid Receiving Unit will then initiate a CPC Connect conversation. The CPC Connect conversation will create an email notification from Canada Post Corporation prompting the Bidder to access and action the message within the conversation. The Bidder will then be able to transmit its bid afterward at any time prior to the solicitation closing date and time.
- c. If the Bidder is using its own licensing agreement to send its bid, the Bidder must keep the CPC Connect conversation open until at least thirty (30) business days after the solicitation closing date and time.
- d. The bid solicitation number should be identified in the CPC Connect message field of all electronic transfers.**
- e. It should be noted that the use of CPC Connect service requires a Canadian mailing address. Should a bidder not have a Canadian mailing address, they may use the Bid Receiving Unit address specified in the solicitation in order to register for the CPC Connect service.
- f. For bids transmitted by CPC Connect service, Canada will not be responsible for any failure attributable to the transmission or receipt of the bid including, but not limited to, the following:
  - i. receipt of a garbled, corrupted or incomplete bid;
  - ii. availability or condition of the CPC Connect service;
  - iii. incompatibility between the sending and receiving equipment;
  - iv. delay in transmission or receipt of the bid;
  - v. failure of the Bidder to properly identify the bid;
  - vi. illegibility of the bid;
  - vii. security of bid data; or,
  - viii. inability to create an electronic conversation through the CPC Connect service.
- g. The Bid Receiving Unit will send an acknowledgement of the receipt of bid document(s) via the CPC Connect conversation, regardless of whether the conversation was initiated by the supplier using its own license or the Bid Receiving Unit. This acknowledgement will confirm only the receipt of bid document(s) and will not confirm if the attachments may be opened nor if the content is readable.
- h. Bidders must ensure that they are using the correct email address for the Bid Receiving Unit when initiating a conversation in CPC Connect or communicating with the Bid Receiving Unit and should not rely on the accuracy of copying and pasting the email address into the CPC Connect system.
- i. A bid transmitted by CPC Connect service constitutes the formal bid of the Bidder.

Faxed and Hard copy (submitted in person or via mail/courier) submissions will not be accepted.
