Description of the Requirement:

Transport Canada has a requirement for Temporary Help Services and has issued a Request for Proposal to suppliers generated from CPSS who are qualified under the streams and categories listed above.

Transport Canada's Aircraft Services Engineering branch is seeking an experienced aerospace structures engineer through temporary help services tools to support integration and certification of new mission system on its aircraft fleet and to assist with the objectives below:

- A. To provide consulting services on matters of aero mechanical systems in civilian and military aircraft owned and operated by Transport Canada, other government departments, and private sector clients.
- B. To design and integrate aero mechanical systems in civilian and military aircraft owned and operated by Transport Canada, other government departments, and private sector clients.
- C. For Compliance review and certification of aero mechanical systems installation and integration in civilian and military aircraft owned and operated by Transport Canada, other government departments, and private sector clients

Level of Security Requirement:

Security Requirement: Common PSPC SRCL #6 applies
Minimum Corporate Security Required: Designated Organization Screening (DOS)
Minimum Resource Security Required: Reliability Level

Proposed period of contract:

The proposed period of THS shall be from Contract award date to January 31,2023 with an irrevocable option to extend it for up to an additional 24 weeks period.

Estimated Level of Effort: The estimated level of effort of the contract will be for 120 days.

- Bidders must submit one bid for the resource category.
- The work is currently being performed by Portage Personnel Inc. under a contract

File Number: T8080-220104

Contracting Authority: Tony Youness

E-Mail: Tony.Youness@tc.gc.ca

Inquiries

Inquiries regarding this THS requirement must be submitted to the Contracting Authority named above. Request for Proposal (RFP) documents will be e-mailed directly from the Contracting Authority to the Qualified Supply Arrangement Holders under EN578-172870 and who are being invited to bid on this requirement. BIDDERS ARE ADVISED THAT "BUYANDSELL.GC.CA" IS NOT RESPONSIBLE FOR THE DISTRIBUTION OF SOLICITATION DOCUMENTS

The Temporary Help Services (THS) Method of Supply is subject to quarterly refresh cycles. If you wish to find out how you can be a "Qualified SA Holder", please contact tpsgc.pasat-apths.pwgsc@tpsgc-pwgsc.gc.ca
