Amendment № 13

This amendment is raised to answer Bidder's questions.

QUESTIONS AND ANSWERS

Question № 21m): RE: Resources Assessment Criteria and Response Tables, B.7 Business Transformation Architect – Level 3; RTC2, Page 67

Rated criteria RTC2 for the Business Transformation Architect – Level 3 states that for full points resources must have 5 or more projects within the last five years that must be at least 6 months in duration and cannot be the same projects referenced in MTC3, which also requires projects cited to be within the last five (5) years. Should a resource have multiple projects that are over 6 months in length cited in MTC3, it is impossible to score full points on RTC2, as there would not be enough time to allow for five (5) or more projects.

As such, we respectfully request that the Crown amend the RTC2 to read:

“b) And have been performed within the last fifteen years from the Task Authorization (TA) issuance date.”

Response № 21m): ESDC agrees to modify to “b) And have been performed within the last ten years from the Task Authorization (TA) issuance date”.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
