Title:
Temple Housing Roof Replacement, Banff National Park

Amendment 001

This amendment is raised to distribute a question and answer.

1. Questions and Answers

Q1: Is the contractor to supply and install snow retention systems for this project?
If yes, can Parks Canada provide an engineered spec for the snow retention system?

A1: Snow guards to be supplied and installed by contractor as per manufacturer recommendations and with respect to local climate. Parks Canada cannot provide engineered specifications as it would be per the manufacturer's recommendation.

ALL OTHER TERMS & CONDITIONS REMAIN UNCHANGED
