A. Provide the following information about the Bidder's Conference

PURPOSE

The Bidder's Conference for the Motor Vehicle Test Centre is being held to provide an overview of the Request for Proposals, the Statement of Work, the Technical Evaluation, and the Basis of Payment for the resulting contract. Following this, a presentation for international bidders on the bid process for Canadian procurement will be provided. The Ordre des Ingénieurs du Québec which is a self-regulated body that governs Quebec's professional engineers will also tentatively speak to the accreditation process and how to make an application.

Following the presentations, participants will be invited to ask questions to the Contracting and Technical Authorities about the content of any of the documents or the information presented at the Bidder's Conference.
