

ADDENDUM # 1

Date: July 23, 2022

Title: Cleaning services for the Embassy of Canada to Hungary, Slovenia and Bosnia and Herzegovina, in Budapest

The Department of Foreign Affairs, Trade and Development hereby amends, in accordance with this addendum the Request for Proposals (RFP) for the provision of cleaning services, bearing number 22-200143. This addendum hereby forms part of the RFP and the purpose is to:

1. Answer questions related to the RFP that we received

This addendum is issued prior to receipt of bids to provide for certain revisions to and clarification of the solicitation documents.

QUESTIONS AND ANSWERS

Q1. In the Technical Section of the Proposal we have to list the material safety sheets of all the chemicals we use for cleaning. These are only available in Hungarian and we work at least with 10 different types of cleaning agents. Since each chemical has an 8-10 pages long safety description, we are not able to have them translated to English. Is this going to be a problem? Do we have to provide the material safety sheets in English?

A1. The Material Safety Data Sheets may be sent in Hungarian.

Q2. Can we submit the Certification listed in A1.1 with the bid, or could it be a separate attachment?

A2. The certifications must be in a separate attachment from your technical bid. Bidders can provide more than one attachment for the certifications, if needed.

Q3. In Attachment 1, Part 4 (pg 18), do we need to fill out the table i.e. give answers to the Yes/No questions?

A3. No, the greyed-out section in Attachment 1 to Part 4, is for evaluators only.
